

MY TEAM AND I ARE SLEEPING ON THE STREET SO HOMELESS KIDS DON'T HAVE TO!

SOUNDS CRAZY, RIGHT?

Not as crazy as this: 4.2 million young people will face homelessness this year.

In fact, last school year, close to 5,000 school-aged children and youth were identified as homeless and received services via Broward County Public Schools' H.E.A.R.T. (Homeless Education Assistance Resource Team). Of those, 389 were homeless youth who found refuge at Covenant House!

We can't stay indoors while so many kids remain outside. So we're joining the Covenant House Sleep Out movement, and on November 15th, 2018 will spend a night sleeping on the streets of Fort Lauderdale.

As part of our Sleep Out, we're raising funds and awareness for **Covenant House**, an organization that provides immediate shelter and essential services to kids facing homelessness across the U.S., Canada, and Latin America.

You can donate online at the link below, or provide a check or cash directly to one of our team members. **THANK YOU SO MUCH FROM THE H.E.A.R.T!**
