

## TOMORROW'S RAINBOW THERAPY SERVICES

.....

You've seen a change and you know they need help. But when you talk - they shut down. Let's change that dynamic and bring the joy back into their eyes.

.....

Free Trauma and Support Services for MSD Zone affected children, teens and individuals.

Talking about trauma, grief and loss can be overwhelming. At Tomorrow's Rainbow, we incorporate **Art, Play, Sandtray** and **Horses** into the therapy experience. Creating a supportive environment to share, heal and grow.

### **LET OUR TEAM SUPPORT YOUR FAMILY TODAY.**

Schedule a meet and greet with our two-legged and 4-legged counselors.
