THIS AGREEMENT entered into by and between THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA, hereinafter called the Board, and the FEDERATION OF PUBLIC EMPLOYEES, a Division of NFOPAPE (AFL-CIO), Affiliated with District 1-MEBA (AFL-CIO), hereinafter referred to as the FOPE.

Witnesseth:

WHEREAS, the Board and the FOPE have negotiated in good faith, with the FOPE acting as the exclusive agent for certain non-instructional personnel included in the certified unit with respect to wages, hours, and terms and conditions of employment and whereas, the parties following extended and deliberate negotiations, and having had an opportunity to discuss freely any and all issues, have reached certain understandings which they desire to confirm in this Agreement. In consideration of the following mutual covenants, it is hereby agreed as follows:

## **ARTICLE 1 RECOGNITION**

The Board recognizes the FOPE as the sole and exclusive bargaining agent for the bargaining unit of employees as certified by the Public Employees Relations Commission (PERC) in Certification #470 and with all amendments, described as follows:

- A. **INCLUSIONS:** Transportation Employees (bus operators, relief operators, trainers, specialists and dispatchers), mail service employees, garage employees, safety employees, regular full-time and part-time security specialists, armed safe school officers (guardians), campus monitors, facility service employees — including pool men, yard men, warehouse employees — including those in property and inventory, building and maintenance employees — including those who perform functions classified as building trades, maintenance employees, head facility service employees, and regular part-time facility service employees.
- B. **EXCLUSIONS:** Administrative, clerical, instructional, managerial, and confidential personnel, student facility service employees, seasonal employees, purchasing department employees, irregular part-time and contract employees, and all other employees employed by the Broward County School Board.
- C. **DEFINITIONS:** The terms listed below, when used in any provisions of this contract, shall be defined as follows:
- “Employee” – Any employee in this FOPE bargaining unit as defined and certified by PERC. Employees may also be referred to as bargaining unit members.
  - “Superintendent” – The Superintendent of the District or their designated representative.
  - “District” – The School District of Broward County, Florida.
  - “Immediate Supervisor” – The person in an administrative or supervisory position directly responsible for the supervision and direction of an employee and to whom the employee is directly responsible. An immediate supervisor shall be a person who is not a member of the bargaining unit represented by FOPE.
  - “Board” – The School Board of Broward County, Florida.

- “Bargaining Unit” – Employees in job classifications within the unit represented by the FOPE.
- “FOPE” – Federation of Public Employees, a division of the National Federation of Public and Private Employees, an affiliate of District 1 – MEBA AFL-CIO.
- “Permanent Employee” – An employee who has satisfactorily completed their probationary period, as defined in Article 7-A.
- “Permanent Part-Time Employee” – An employee who has satisfactorily completed their probationary period, as defined in Article 7-A, in a position which calls for the employee to work less than the normal work week, but at least twenty (20) hours per week.

- “Seniority” – For Transportation employees, bargaining unit seniority shall be defined as the total length of continuous service in the certified unit after the completion of the appropriate probationary period, from the first day of hire into the certified unit covered by this Agreement between the FOPE and the School Board.
  - Example: After an employee completes his/her probationary period, the seniority date shall be determined from the start of the probationary period.

For Maintenance/PPO, Facilities, and Security Specialists/Campus Monitors, bargaining unit seniority shall be defined as the total length of continuous service from the first day of hire into the bargaining unit covered by this Agreement on a 244/261 day calendar between the FOPE and the School Board.

- “Years of Service for Purposes of Compensation” Verified enumerated experience in this unit for one day more than half of the employee’s calendar will constitute one (1) “full year’s employment.”

## **ARTICLE 2 MANAGEMENT RIGHTS**

The management and the operation of the school system rests solely and exclusively with the School Board. The School Board shall have, subject to the limitations of this Agreement only, the right to hire, promote, demote, assign work, issue corrective action to employees, suspend, discharge, transfer employees, lay off employees for lack of work and/or other legitimate reasons, to direct the working force, to establish work rules and job descriptions for unit employees, to unilaterally determine the purpose and mission of the Board, including subcontracting as set forth in this Agreement, set standards of service to be offered to the public, and otherwise exercise control and discretion over its organization and operations. However, the exercise of such rights shall not preclude employees or their representatives from raising grievances, should decisions on the above matters have a practical consequence of violating the terms of this Agreement.

In all matters involving a decision of the Board to take corrective action towards an employee of this unit, up to and including discharge, said corrective action shall be for just cause except as provided in Article 7.

No provision of this Agreement shall be construed as to prohibit the Board from unilaterally complying with all federal, state and judicial requirements.

No provisions of this Agreement shall be construed as to grant employee rights other than as are expressly stated herein.

The Superintendent of Schools shall exercise full authority granted under Florida Statutes, Section 1001.51, to close any or all schools during a situation deemed an emergency.

**ARTICLE 3**  
**NO STRIKE/NO LOCKOUT**

The FOPE, its officers, agents, representatives and employees agree that they will not strike, as defined by the Public Employees Relations Act, and agree not to participate in a strike against the Board by inciting or supporting, in any positive manner, a strike. During the term of this Agreement the employer agrees that it will not authorize, cause, or engage in any lockout of employees unless a lockout should become necessary for the protection of the employer's property.

Section 447.203 (6), Florida Statutes, defines the term "Strike" as follows:

"Strike" means the concerted failure of employees to report for duty; the concerted absence of employees from their positions; the concerted stoppage of work by employees; the concerted submission of resignations by employees; the concerted abstinence in whole or in part by any group of employees from the full and faithful performance of the duties of employment with a public employer for the purpose of inducing, influencing, condoning, or coercing a change in the terms and conditions of employment or the rights, privileges, or obligations of public employment, or participating in a deliberate and concerted course of conduct which adversely affects the services of the public employer; the concerted failure of employees to report for work after the expiration of a collective bargaining agreement; and picketing in furtherance of a work stoppage. The term "strike" shall also mean any overt preparation, including, but not limited to, the establishment of strike funds with regard to the above-listed activities.

**ARTICLE 4**  
**NON-DISCRIMINATION**

- A. The parties agree that there shall be no discrimination with respect to race, color, creed, sex, handicap, age, or national origin as required by law in the application of the terms of this Agreement.
- B. The rights granted to the FOPE in this Agreement shall be granted to the FOPE exclusively as the sole and exclusive bargaining agent and shall not be granted to any employee organization seeking to represent employees in the bargaining unit.
- C. Each employee in the bargaining unit has the right, freely and without fear of penalty or reprisal, to join the FOPE or to refrain from any such activity. Any employee who exercises his/her rights under this Agreement shall not be subjected to discipline, reprimand, warning or reprisal because of such participation.
- D. Administrative procedures have been established by the State of Florida and the United States for the handling and processing of claims of unlawful employment discrimination based on race, color, religion, sex, national origin, or disability. FOPE and the Board encourage bargaining unit members who believe that they have been victims of employment discrimination based on race, color, religion, sex, national origin, or disability to file such claims with the United States Equal Employment Opportunity Commission, the Florida Commission on Human Rights, or the applicable Florida or Federal court. Claims of employment discrimination based on race, color, religion, sex, national origin, or disability shall not be processed as grievances.

## **ARTICLE 5 GRIEVANCE PROCEDURE**

### **A. Procedure**

The grievance/arbitration procedure shall be subject to all State and Federal laws and judicial interpretations.

Any grievance or dispute not submitted according to the foregoing procedure shall be foreclosed for all contractual and legal purposes.

No employee shall be entitled to use the grievance procedure until the employee has completed their required probationary period. This includes employees who wish to grieve the Drug-Free Workplace Last Chance Agreement.

The FOPE shall not be required to process grievances for employees who are not members in good standing of the FOPE.

Time limits set in this Article shall not include Saturdays, Sundays or paid Holidays or days off on a School Board calendar. Grievances filed during the period of June 15 to August 15 may be held in abeyance until the first week of the school year if grievant, witnesses and/or supervisor are on leave. Timeline for grievances held in abeyance will begin the first day students return.

Failure of administrator to respond to a grievance within the prescribed time limits will allow FOPE to automatically move the grievance to the next step.

Nothing herein shall preclude the earlier settlement of any grievance directly by agreement between the Employer and the FOPE; however, such settlement shall not constitute an admission that the contract was violated, nor shall it be used as a precedent for future contract interpretation.

Any dispute or grievance arising between the employer and the FOPE or any bargaining unit member over the interpretation or application of this Agreement shall be settled in the following manner:

#### **Step One**

Within seven (7) working days after the occurrence could have reasonably been known or the grievant became aware of the event giving rise to the grievance, the employee, with or without the assistance of the

on-site representative, shall take it up with the Manager/Designee who shall render a decision within five (5) working days and, if the grievant is not satisfied with the response then:

### **Step Two**

Within seven (7) working days following the decision at Step One, the grievance shall be reduced to writing and signed by the aggrieved employee and the FOPE Business Representative and a copy given to the appropriate administrator, as determined by the Superintendent or his designee. The FOPE representative, the grievant, and a representative designated by the employer shall meet and attempt to resolve the dispute. The Department Head or Director shall render a decision within seven (7) working days. If, after reviewing the contractual language, the grievance is not resolved in Step Two, then the grievant and the FOPE may proceed to Step Three:

### **Step Three**

Within seven (7) working days following the decision at Step Two, the written grievance will be processed by the Employee & Labor Relations Department.

The FOPE Representative, the grievant and a representative designated by the employer shall meet and attempt to resolve the dispute. The response to the grievance shall be rendered within thirty (30) working days thereafter. If the FOPE is not satisfied with the response in Step Three, then:

### **Step Four**

If the FOPE is not satisfied with the response in Step Three, the FOPE may request such dispute or grievance be submitted to Arbitration, pursuant to Article 6.

- B. Any grievance that is a class grievance shall be presented for resolution at Step 3 of the grievance procedure. For the purposes of this section a class grievance shall not be solely determined by the number of grievants. Such determination shall be made based upon both the number of grievants and the effects the disputed issue has on the working conditions of employees in the same group as the aggrieved and/or employees covered by this Agreement.

### **C. Grievances Involving Suspension**

Any grievance arising from a suspension may be initiated at Step 2.

D. **Grievances Involving Termination**

Employees terminated or recommended for termination may file grievances at Step 3 within ten (10) days of when the employee was notified.

## **ARTICLE 6 ARBITRATION**

- A. If the FOPE is not satisfied with the disposition of the grievance in Step Three, the grievance may be submitted by the FOPE to arbitration within thirty (30) working days of the date of disposition at Step Three. Notice that arbitration will be pursued will be provided to the Office of the General Counsel.
- B. FOPE will request a list of seven (7) arbitrators from the Federal Mediation and Conciliation Service (FMCS) or the American Arbitration Association (AAA). A copy of the request will be sent to the Office of the General Counsel. The arbitrator shall be selected from the list submitted by the parties alternately striking names with the grievant striking first. Each party shall have the opportunity to strike one (1) panel. If a party strikes a panel, that party shall pay (if applicable) for the issuance of a new panel. The rules of AAA or FMCS will govern the arbitration proceedings. The parties agree that the award of the arbitrator shall be final and binding.
- C. The power of the arbitrator shall be limited to the interpretation of this Agreement. He shall have no power to add to or to subtract from or modify any of the items of this Agreement, nor shall he/she have power to establish or change any wage scale or classification.
- D. The fees and expenses of the impartial arbitrator shall be paid by the loser. All other expenses in connection with the presentation of a matter to the arbitrator shall be borne by the party incurring them.
- E. The grievance arbitration procedure shall be subject to all State and Federal laws and judicial interpretations.

**ARTICLE 7**  
**PROBATIONARY PERIOD**

- A. For purposes of this contract, a probationary period shall be 131 workdays.
- B. Probationary employees shall accrue sick leave and employees on a 261 day calendar shall accrue vacation after completing their forty-fifth (45th) workday.
- C. Probationary employees shall not be able to utilize their sick leave until after their ninetieth (90th) workday. Said employees may not utilize vacation leave until the completion of their probationary period. Should the employee be terminated prior to completion of their full probationary period, all leave shall be returned to the School Board.
- D. During said probationary period, the Board may suspend, take corrective action or discharge a probationary employee for any reason whatsoever except for lawful union activities, and no claim will be made by the employee or by the FOPE that the action was improper.
- E. During the probationary period, the affected employee is not entitled to any representation, nor may the employee file a grievance under this contract, nor under the School Board policy grievance procedure. The only exception to this rule is for corrective action which is a result of lawful union activity.
- F. Probationary Bus Operators shall not perform extracurricular trips during evening hours, weekend hours or out-of-county. Emergency extracurricular trips may be performed after efforts have been made to assign a permanent employee on the trip list to such trip. Emergencies will be determined by the Director of Student Transportation & Fleet Services or designee.
- G. **TEMPORARY EMPLOYEES**
  - 1. A temporary employee shall be automatically terminated by the School Board after six (6) months of temporary status, except when the temporary employee is replacing a bargaining unit employee on disability income, worker's compensation, or maternity leave. Temporary employees shall not be eligible for any fringe benefits (i.e., paid holidays, annual leave, sick leave, retirement, etc.).
  - 2. Through a Memo of Understanding, the FOPE may approve of six (6) month extensions.

3. Temporary employees who are placed in full-time positions shall be entitled to have up to six (6) months of time previously worked accrued as a temporary employee credited to their probationary period, provided such temporary service is continuous, at the same work location and immediately preceded placement in a full-time position.

H. **MAINTENANCE/PPO EMPLOYEES - CERTIFICATE OF COMPETENCY REQUIREMENTS**

1. Retain the present yearly certificate of competency requirements for the following trades, which are at the top of the pay scale:
  - (a) Electrician
  - (b) Plumber
  - (c) A/C and Refrigeration Mechanic

This certificate of competency requirement should be satisfied either prior to joining the School Board or within six (6) months of initial employment in that craft, which is well within the probationary period.

2. Reduce the requirements for the carpenter craft to include an initial successful passing of either the rough or finish carpentry specialty contractors license to qualify as a School Board carpenter. Unless the individual is a graduate of a State of Florida Apprentice Program, this license requirement shall be satisfied prior to joining the School Board. This will assure a minimum qualification for new carpenters joining the craft. All present carpenters will be "grandfathered" effective 7/1/93. Those presently holding both restricted licenses will be allowed to comply with the new minimum requirements.
3. Prior to being reclassified from apprentice to tradesperson, effective July 1, 1993, all apprentice graduates from the Broward County School Board and/or other similar curriculum must comply with the State of Florida craft certificate of competency in accordance with items 1 or 2 above. Apprentice graduates from other than the State of Florida programs shall be required to obtain a certificate of competency prior to employment.

- I. **FACILITIES EMPLOYEES:** Bargaining unit employees who accept a position of Facilities Serviceperson are not required to complete a new initial employment probationary period. However, the employee is required to complete the required Basic Facilities Service Certification within 131 working days of appointment to the position. Failure to

complete the Basic Facilities Service Certification within 131 working days of appointment to the new position shall result in corrective action, up to and including termination, pursuant to Article 2 of this Agreement.

**ARTICLE 8**  
**SENIORITY, LAY-OFF AND RE-CALL**

**A. SENIORITY:**

**1. Transportation Employees:**

- a. Bargaining unit seniority shall be defined as the total length of continuous service in the certified unit after the completion of the appropriate probationary period, from the first day of hire into the certified unit covered by this Agreement between the FOPE and the School Board.

EXAMPLE: After an employee completes his/her probationary period, the seniority date shall be determined from the start of the probationary period.

b. Resignation in Good Standing

- i. Transportation employees who resign in good standing with a satisfactory evaluation, if re-employed within one (1) year from the effective date of resignation, shall retain their unused/unpaid accumulated sick leave earned and their seniority for the purpose of route bidding, trip assignment and the step placement prior to resignation. Such an employee's salary shall be in accordance with the current salary and the step in effect for the position to which the person is being reemployed.
- ii. The returning employee shall serve a sixty (60) day probationary period and will not be able to use sick leave until the completion of the probationary period.
- iii. The Director Student Transportation & Fleet Services may recommend a waiver of probation or a reduction in the probationary time period. Such written recommendation shall be sent to the Director of Talent Acquisition & Operations Non-Instructional who has the authority to approve or disapprove the recommendation.

**2. Maintenance/PPO, Facilities, and Security Specialists/Campus Monitors:** For Maintenance/PPO, Facilities, and Security

Specialists/Campus Monitors, bargaining unit seniority shall be defined as the total length of continuous service from the first day of hire into the bargaining unit covered by this Agreement on a 244/261 day calendar between the FOPE and the School Board.

3. Employees shall lose their seniority as a result of the following:
  - (a) Termination
  - (b) Retirement
  - (c) Resignation
  - (d) Layoff exceeding one (1) year
  - (e) Failure to report to the Talent Acquisition & Operations (Non-Instructional) office within five (5) days of receipt of recall notice.
4. In the event a unit employee leaves the unit but remains with the District outside the unit and returns to the unit within one (1) year, he/she shall retain the previously earned accumulated seniority upon re-employment in the bargaining unit.
5. Authorized leave shall count for seniority purposes and such leave shall not be considered as an interruption of service.
6. Employees whose positions have been eliminated through layoff or otherwise, shall be considered first for equivalent vacancies which may become available and for which they are technically and physically qualified to perform the job. Such employees shall be recalled in descending order of seniority with the employee who is (1) technically and (2) physically qualified to perform the job.

**B. LAYOFF:**

In the event the School Board determines that the number of employees in the bargaining unit must be reduced for any reason, such reduction shall be based on objective, reasonable and nondiscriminatory standards which (1) shall not be arbitrary or capricious; (2) shall not deprive employees of their rights conferred by this agreement or laws of Florida and the United States; (3) shall be capable of uniform application; and (4) seniority and ability according to the provisions of this Agreement.

1. Prior to implementing a District-wide reduction (or school-based reduction for Facilities Servicepersons and Security Specialists), the Superintendent or designee, shall meet with representatives of the FOPE to discuss the proposed District action and solicit their suggestions.

2. The School Board shall determine the net number of positions to be reduced and the classifications in which layoff shall occur.
3. Employees with the least bargaining unit seniority in each affected classification (District seniority for Facilities Servicepersons and Security Specialists/and Campus Monitors) shall then be laid-off using the following guidelines:
  - First - Temporary Employees
  - Second - Part-Time Employees
  - Third - Probationary Full-Time Employees
  - Fourth - Regular Full-Time Employees

Retained employees must be qualified for their assigned positions.

In the event that there is a scheduled layoff in one (1) or more of the trade classifications (Plumbers, Carpenters, Electricians, etc.) or non-trade classifications (Bus Operators, Bus Attendants, Facilities Servicepersons and Security Specialists), the leadman in that respective trade or non-trade shall also be subject to layoff in that classification utilizing his/her seniority date as if he/she was working in that classification rather than working as a leadman.

In the event there is a reduction in force in the foremen classification, foremen shall be laid off in reverse order of seniority. Any foreman who is scheduled to be laid off shall have the right to return (bump back) to the journeyman job classification in which he was a foreman and to utilize all his bargaining unit seniority for purposes of avoiding said lay off.

In the event that there is a reduction in force in the Facilities Serviceperson classifications, the Facilities Servicepersons with the least District seniority shall be laid off first and thereafter each employee in reverse order of his/her District seniority.

In the event that there is a reduction in force in the Security Specialist or Campus Monitor classifications, the Security Specialists and/or Campus Monitors with the least District seniority shall be laid off first and thereafter each employee in reverse order of his/her District seniority. Employees who have been identified for lay-off and have successfully completed their probationary period shall be eligible to displace other probationary Security Specialists/Campus Monitors District wide.

4. A laid off employee is not entitled to replace another employee in a different classification. However, if the employee identified for layoff is qualified for a bargaining unit vacancy which exists in the District, then said employee(s) shall be offered the vacancy if he/she is qualified for the position.

**C. RECALL**

1. Employees whose positions have been eliminated through layoff or otherwise shall be considered first for equivalent vacancies which may become available and for which they are technically and physically qualified to perform the job. Such employees shall be recalled in descending order of District seniority.
2. Each employee on layoff shall be required to provide the Human Resources Support Services, in writing, with a current address to which a letter of recall may be sent. Employees being recalled shall be notified by "Certified Mail Return Receipt Requested" and shall have five (5) working days from the date of the receipt of notice to respond to the School Board's offer. The School Board reserves the right to temporarily assign employees to the vacancy until the recalled employee reports for work. If the letter is mailed to the address provided by the employee and is returned to the School Board because the address is incorrect, the School Board has fulfilled the obligation of this sub-section.

If the School Board does not receive an affirmative response, the employee shall be removed from the recall list and the School Board shall have no further obligation to the employee. If the recall notice is returned and not receipted, the employee shall retain his/her place on the recall list for the next job opening for which he/she is qualified. However, after the second returned notice, the employee's name will be dropped from the recall list and the School Board shall have no further obligation to the employee.

3. An employee who has been laid off shall maintain recall rights for twelve (12) months from the date of layoff or until he/she refuses a recall opportunity, fails to respond to a recall letter, submits a resignation, or accepts employment with another employer within the Florida Retirement System (FRS), whichever is less.
4. Written notice of layoff shall be given to the affected employee twenty (20) working days before the action is to become effective.

5. An employee who fails to apply to two (2) vacancies for which he/she is qualified, shall be removed from the layoff list.

An employee who applies for a vacancy and is offered the position and subsequently declines the position, shall be removed from the layoff list.

6. An employee who has started his/her sixth year of service and who will qualify for retirement by the end of that year shall be permitted to complete the sixth year so as to acquire the necessary service to become vested in the retirement system.

**MANPOWER AVAILABILITY PROCEDURES**

1. Employees who are required to work in excess of forty (40) hours in a seven (7) day pay period beginning Thursday through Wednesday, shall be compensated at an hourly rate, one and one-half (1 1/2) times their regular hourly rate.
2. The current Department wide rotary list by trades and employees' seniority dates in their trade will be the basis for assigning coverage during weekends and holiday periods.
3. Using this rotary list, all tradesmen in the following trades will be surveyed to determine whether they desire to participate in the departmental weekends and holidays stand-by process. Those employees who indicate a desire to participate will be included on a Department wide rotary roster for assured weekend and/or holiday period coverage:

A/C & Refrigeration  
Electrical  
Carpentry  
Plumbing  
Fire Alarm Systems  
Roofing

4. Each weekend and holiday period in each area with District as back-up , employees on the roster will be identified and designated as the Department's stand-by persons in their particular trade in a rotating order as follows:

- (1) Carpenter Journeyman
- (1) Electrician Journeyman
- (1) A/C Refrigeration Mechanic
- (1) Fire Alarm Technician
- (1) Plumber Journeyman
- (1) Roofer Journeyman

5. Maintenance will prepare a schedule for stand-by status quarterly. Adjustment will be made as necessary to ensure accuracy. Copies will be provided to COMPASS and the Special Investigative Unit.
6. If an employee accepts the stand-by status but fails to appear when contacted without first notifying the supervisor in charge, he will be removed from the roster for the remainder of the fiscal year.
7. Employees are currently required to maintain a telephone at their residence and to provide their phone number to the Department. The Department will ensure that each employee on the Stand-by roster is in possession of a working beeper to facilitate proper and timely contacts.

### **COMPENSATION**

1. Employees who are placed in a stand-by status for the weekend and/or holiday period will receive no less than three (3) hours at a rate of straight time hourly rate of pay per day, whether called or not. Time and one-half (1 1/2) shall be paid for all hours worked in excess of forty (40) hours during a given pay period.
2. By written mutual agreement between the employee and the Department, compensatory time may be given in lieu of this stand-by pay at a rate of one and one-half (1 1/2) hours for each hour worked. Compensatory time must be used within thirty (30) days of earning unless an extension is approved by the department's Director.

### **DURATION OF STAND-BY STATUS**

1. Weekend stand-by status will include Saturdays, Sundays, and Mondays designated as holidays. Weekend stand-by status shall not exceed three (3) days.

WHEREAS, \_\_\_\_\_, has been previously advised of School Board Policy 2400 and previously advised of counseling and assistance opportunities available from the Employee Assistance Program and the Member Assistance Program.

WHEREAS, \_\_\_\_\_, has been notified in writing by \_\_\_\_\_ that he/she has failed a Board provided drug/alcohol test and that he/she is subject to disciplinary actions up to and including immediate termination pursuant to School Board Policy 2400 and a Memorandum of Understanding between the School Board and the Federation of Public Employees dated \_\_\_\_\_.

WHEREAS, the School Board and \_\_\_\_\_ acknowledge their desire to allow \_\_\_\_\_ to seek recovery and work as a satisfactory employee of the School Board.

NOW, THEREFORE, in lieu of termination and in consideration of the mutual covenants contained herein, the School Board and \_\_\_\_\_, intending to be legally bound, do hereby stipulate and agree as follows:

1. All of the above statements are true and correct to the best of the parties' belief and knowledge.
2. For purposes of this Agreement, a positive confirmed test result is defined as one that has been identified as positive on the initial test and is verified using gas chromatography/mass spectrometry (GC/MS) techniques at the cutoff levels prescribed in 49 CFR Part 40 Section 40.29 and in accordance to applicable Federal and State laws.
3. \_\_\_\_\_, recognizing that being under the influence of drugs/alcohol impedes the ability of an individual to perform duties as a \_\_\_\_\_ pursuant to the 49 CFR, Part 40 and applicable Federal and State laws agrees that any instance in which he/she fails a Board drug/alcohol test, such test results will constitute a breach of this Agreement and his/her immediate, voluntary and irrevocable resignation shall be by \_\_\_\_\_ from his/her employment with the School Board.
4. The employee who fails the test required for reasons listed in Section 3 of the attached Memorandum of Understanding shall be referred to a substance abuse professional (SAP). The SAP shall determine what assistance, if any, the employee needs in resolving problems associated with alcohol misuse and/or drug usage.
5. The employee shall also be referred to the Employee Assistance Program (EAP) and shall participate.
6. The employee agrees to enroll in, participate and successfully complete any substance abuse program required by the SAP and the EAP. Failure to enter into and successfully complete the assigned program shall result in the immediate termination of employment.
7. The employee agrees to voluntary submission to random drug/alcohol testing for a period of two (2) calendar years following successful release of any programs as recommended by a Substance Abuse Professional (SAP). Not less than six (6) tests must be taken during the first six (6) month period of each year commencing with the day the employee

returns to work with the School Board. A maximum of twelve (12) tests per year can be conducted during the term of this Agreement.

8. The test shall be at the request of the Superintendent or his designee. The random testing date and time shall be solely selected and regulated by the Superintendent, or his designee, and not by the employee.
9. The employee must utilize the testing service selected by the School Board. The expenses of any test shall be borne solely by the employee.
10. The employee shall be required to execute and return to the administrator any and all releases, which may be required by the physician and/or testing laboratory in order to obtain the test results, which will be reported in writing to the Superintendent, or his designee. Any test results shall be available to the School Board, Superintendent, and any employee responsible for personnel actions.
11. The failure of the employee to submit to any request for a medical test, or any test result, shall constitute an irrevocable voluntary resignation from employment with The School Board of Broward County.
12. The employee further agrees that any receipt by the Superintendent/designee of any positive test report and in accordance to applicable Federal and State laws, as defined in 49 CFR, Part 40, indicating substance abuse in any form, including alcohol or cocaine, will be admissible without further authentication in any subsequent administrative/grievance proceeding, including dismissal, and unemployment compensation hearings, as conclusive proof of the employee's voluntary resignation from his/her employment.
13. During \_\_\_\_\_ enrollment in a Board required substance abuse program, he/she shall be on a leave of absence from the District. He/she is entitled to use any and all available paid leave during this period. The entire cost of the Board specified treatment program will be borne by the affected Employee.
14. If \_\_\_\_\_ successfully completes the Board stipulated treatment program, he/she shall be involuntarily transferred as a probationary employee to a budgeted position for which he/she qualifies that does not require a commercial drivers' license with a P and S endorsement or to a budgeted position that does not have direct student contact. Employee shall retain current rate of pay for a maximum period of six (6) months. Upon the completion of the six (6) month period, wages, benefits and privileges for a new position and the terms and conditions of employment in effect at the time for all other

bargaining unit members shall apply. The employee's salary in the new position shall be adjusted according to Article 12(G). Upon expiration of this Agreement, employees who hold a commercial driver's license shall have the opportunity to apply to a position which requires a commercial driver's license without P and S endorsement and such position shall not have direct student contact. If employee is selected for new position, salary placement shall be in accordance with Article 12(G).

15. Further, the employee understands and agrees that any absences from employment will necessitate a physician's written statement that the absence was not as a result of any substance abuse, including alcohol or cocaine. The refusal of the employee to produce the required written physician's report shall constitute just cause, and grounds for termination of employment with The School Board of Broward County.
16. This agreement shall be for a period of two (2) years, during which time the employee shall violate no law, and shall fully comply with all the rules and regulations of the Board, and shall perform his/her assigned duties and responsibilities in a professional manner, to the satisfaction of the Superintendent and the School Board. No employee will be offered or entitled to more than one such Agreement during their employment career with The School Board of Broward County.
17. \_\_\_\_\_ understands and agrees that any breach of this Agreement or his/her failure to comply with the terms of the Agreement will result in his/her immediate, voluntary and irrevocable resignation, with no right of appeal or any other form of redress either through:
  - (1) any provisions of the Agreement between the School Board and the Federation of Public Employees.
  - (2) the Florida Administrative Procedure Act, (Ch. 120, Fla. Stat.); or
  - (3) any other provisions under law, or in equity, or in any other manner whatsoever.

  - Tort claims of every kind, including, but not limited to defamation, intentional infliction of emotional distress, loss of consortium, interference with business relations, etc.

The above list is intended to be illustrative and not all-inclusive.

19. \_\_\_\_\_ acknowledges that with respect to the rights and claims he/she is waiving not only his/her right to recover in any action he/she might commence, but also his/her right to recover from any action brought on his/her behalf by the Equal Employment Opportunity Commission or any other federal, state or local governmental agency or department of any other entity or individual.
20. It is understood and agreed to by all parties hereto that this Agreement is executed based on the particular circumstances of this case and does not establish a precedent for the resolution of other cases.

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA  
AND THE FEDERATION OF PUBLIC EMPLOYEES**

1. The Personnel Department and the Risk Management, Safety & Benefits Department may place employees who are on worker's compensation in unannounced vacancies for which the employee meets the minimum qualifications for the following positions: Campus Monitors, Clerk Specialist I, General Clerk I and II, Clerk Typist I and II, Receptionist I and II, Mail Clerk, Stock Clerk, Stock Price and Inventory Clerk and Assistant I, General Food Service Worker. Additional positions may be utilized by written mutual agreement between the FOPE and the Director of Personnel.
2. The pay for affected employees placed by the above-cited departments in the above listed positions will be calculated by taking the pay (Job 1) for the position that the employee held prior to going on worker's compensation and the pay for the position to which the employee is placed. If the employee is assigned to a job with a higher pay grade, they will be placed on the step closest to what the employee was paid prior to being hurt. If the employee is assigned to a job with a lower pay grade, the pay will be determined by calculating the mean average. For example, if an employee was a facilities serviceperson making \$9.58 per hour prior to being placed on worker's compensation and is placed as a campus monitor, which pays \$8.14 per hour, the mean average salary that the employee will be paid is \$8.86. The employee will be placed on the step closest to \$8.86. This pay shall be maintained for twelve months from the time the employee is placed in the position coming off of worker's compensation. After said twelve month period, the employee's pay rate will be adjusted to the closest rate of pay on the salary schedule the employee has been assigned to for light duty that the employee earned prior to being placed on worker's compensation. For example, a facilities serviceperson earning \$9.58 per hour prior to being placed on worker's compensation shall be placed on the step of the campus monitor salary schedule (\$9.87) closest to what the employee was earning prior to going on worker's compensation after 12 months. During the period of time that the employee is receiving the above-cited blended rate, the employee's pay rate will not be adjusted.
3. The parties agree that the settlement of these grievances constitutes neither an admission that the contract was violated, nor shall the terms of the settlement constitute a precedent for future contract interpretation.

4. This agreement constitutes the full settlement of these grievances. The FOPE relinquishes all claims, past, present and future, pertaining to the issues raised in these specific grievances.
5. This memorandum shall be in effect for the 1999-00 and 2000-01 school year and may be extended by mutual agreement between the parties.

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA  
AND  
THE FEDERATION OF PUBLIC EMPLOYEES**

The aforementioned parties mutually agree to the following Memorandum of Understanding:

1. The Food and Nutrition Services personnel shall be responsible for staffing and monitoring the front end of the Somat, Compactor, and Tray Lines where the trash enters. The Facilities Service personnel shall be responsible for cleaning the extractor room. The Food and Nutrition Services Program will provide, as it has in the past, one (1) free meal to one (1) facilities service person as it relates to the two groups working collaboratively on Somat, Compactor, and Tray Line responsibilities.
2. This agreement constitutes the full and final settlement of the issues related to personnel responsibilities regarding the Somat, Compactor, and Tray Lines. The Federation of Public Employees relinquishes all claims, past present and future, pertaining to the issues raised in this matter.
3. The parties agree that the settlement of this matter constitutes neither an admission that the contract was violated, nor shall the terms of this memorandum constitute a precedent that may be extended to other bargaining units in similar situations, for pending or future contract interpretation, negotiations or grievances, nor can this memorandum be used in future arbitration.
