WHAT ARE THE STANDARDS?

The standards are student-centered expectations from which all curriculum, instruction and assessments are based. The standards are what the state has revised.

CURRICULUM

HOW ARE THE STANDARDS INCORPORATED INTO THE CLASSROOM?

Sometimes confused with “standards,” curriculum is the means or the instructional material by which the standards are taught.

INSTRUCTION

HOW IS INSTRUCTION A PART OF THE STANDARDS?

Instruction is the teacher’s delivery and strategies used to implement the curriculum and standards.

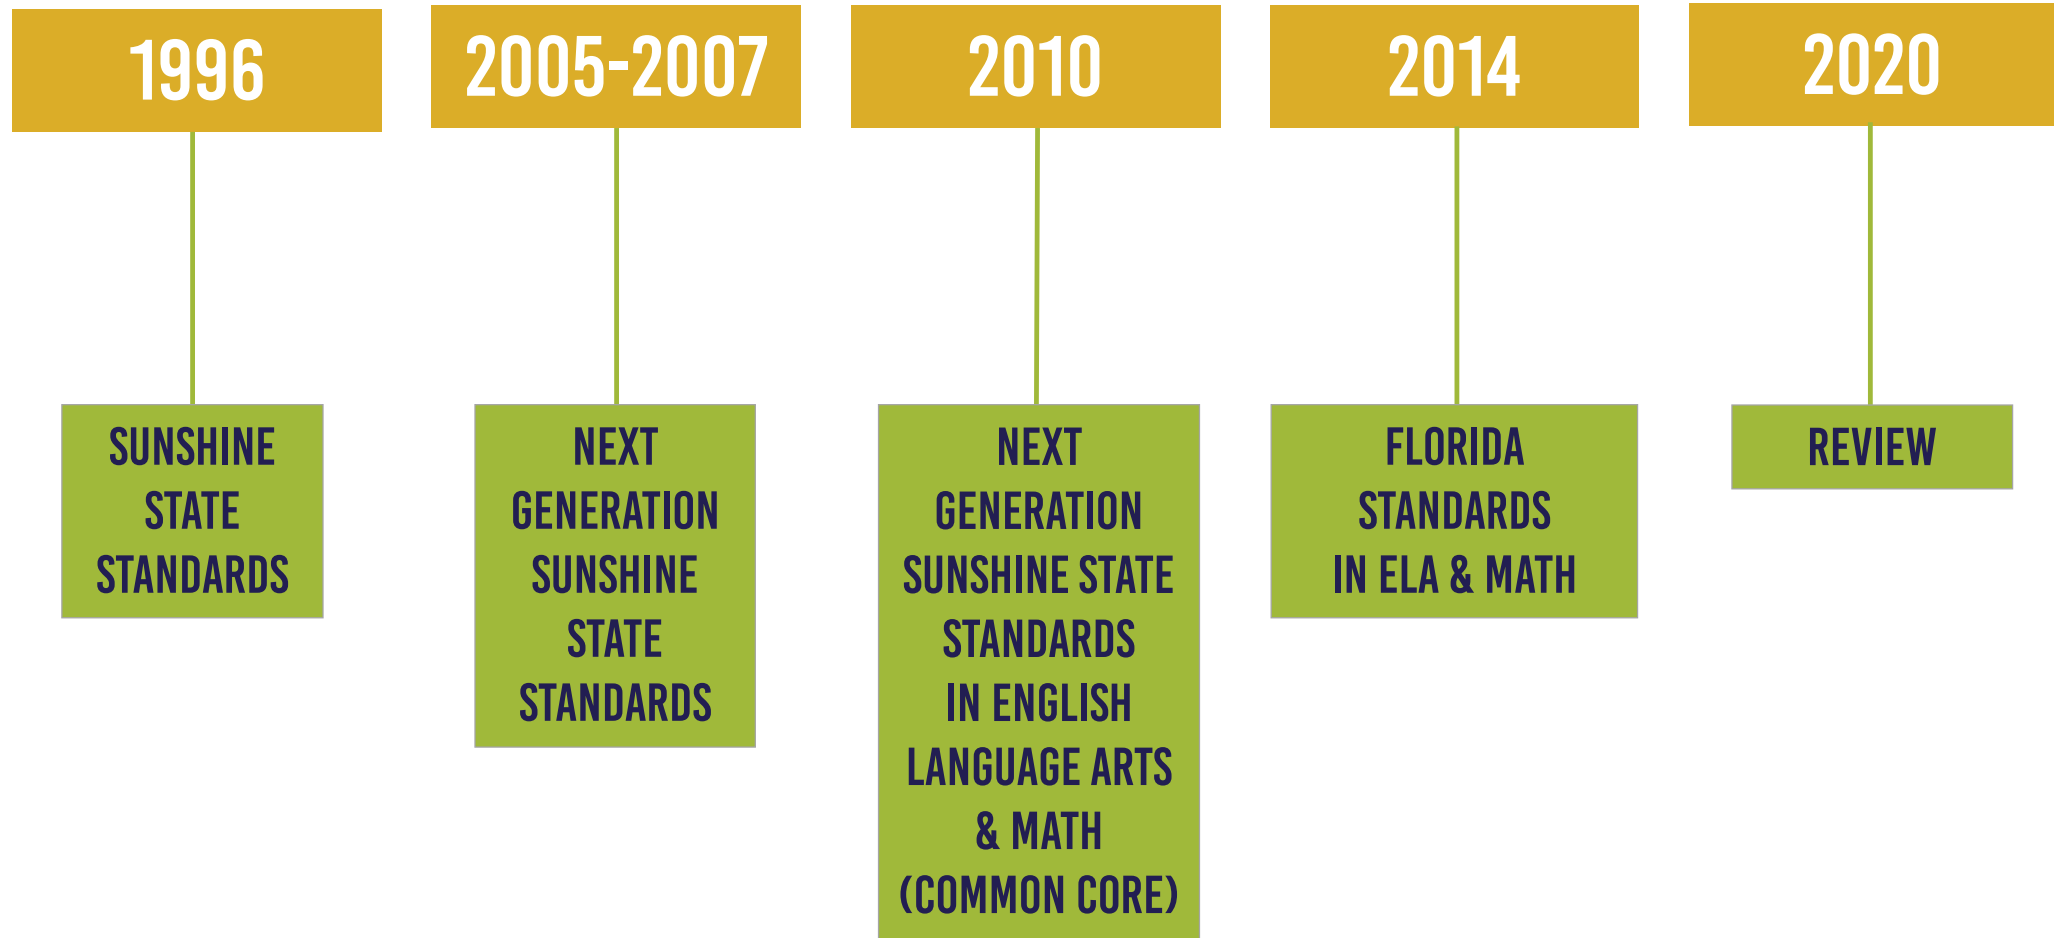

ASSESSMENT

HOW ARE ASSESSMENTS RELATED TO THE STANDARDS?

Assessments provide feedback to teachers, parents and students on a student’s level of mastery of the standards.
