SAC AND SAF ELECTION PROCEDURES

Once a nominating committee is named (as per your school's bylaws) the following procedures should be utilized.

1. Send out memo to school parent population (or otherwise advertise to your entire community, a notice that SAF elections will be held at the May meeting of the school year. Request nominations!
2. The Nominating Committee may extend a courtesy call to each of the present SAF officers asking if they wish to stay on as officers for the next school year (again, check your bylaws for limits on terms of office).
3. The Nominating Committee compiles a slate of officers from the names they have received from steps 1 and 2. It is the charge of the nominating committee to slate that candidate who is best qualified for the position.
4. The Nominating Committee makes a courtesy call to each slated officer to inform them of their nomination and reconfirm their acceptance of the nomination.
5. The Nominating Committee presents slate of officers to membership either at a general meeting usually one month prior to the election. (Check your bylaws!)
6. The Nominating Committee conducts the elections. They present the slate at the election meeting and ask for nominations from the floor. **If there are no nominations** from the floor the slate can be voted on as is - one vote for the entire slate.
7. If there are nominations from the floor you can have either an open or closed ballot election. An open ballot is typically taken by a show of hands; a closed ballot is taken by written ballot. You must vote for each position for which there is more than one nominee. Then, you can vote on the remainder of the slate. (For example: there is a nomination from the floor for the position of recording secretary. You must have a vote for the position of recording secretary (either open or closed) and then vote on the remainder of the slate.)

SAC AND SAF ELECTION PROCEDURES

In the event there is no nominating committee formed then:

- 1. Send out memo to school parent population** (or otherwise advertise to your entire community) a notice that SAF elections will be held at the May meeting of the school year that Nominations will be taken from the floor.
- 2. Anyone can nominate a candidate**, even the candidate themselves, from the floor. You can have either an open or closed ballot election. An open ballot is typically taken by a show of hands; a closed ballot is taken by written ballot. You must vote for each position for which there is a nominee.

SAF Minutes must reflect the voting procedure and who was elected to each position.

School-Level Implementation of Assessment, Standards, and Instruction

State Board Rule 6A-6.053 requires that students be taught utilizing an evidence-based sequence of reading instruction and for districts to describe the process that all instruction is systematic, explicit and based on data. Annually, schools must submit a SIP which includes procedures to ensure this is accomplished. All school site responsibilities listed in State Board Rule 6A-6.053 are accurately covered in each of SIP.

Response to Intervention (RTI) uses student academic and behavior information to identify students with learning and behavior needs to guarantee that those in danger of failure and/or retention are receiving assistance and support.

School Improvement Plan: Early Warning Indicators

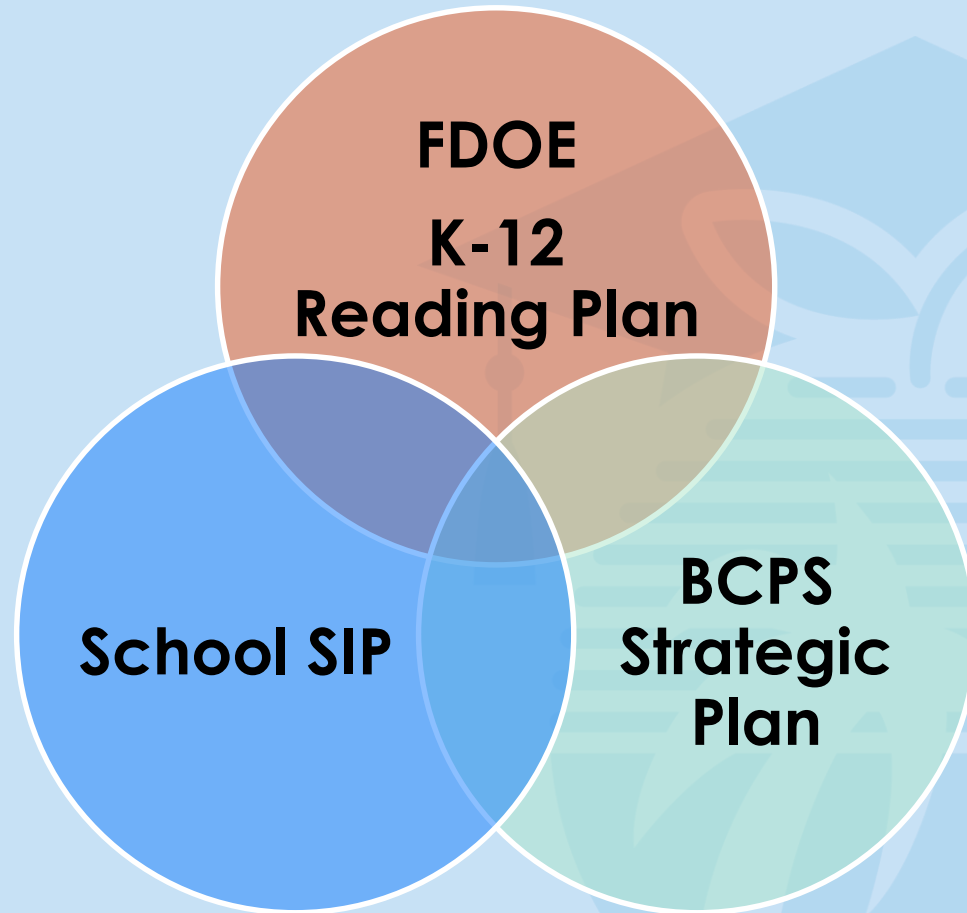

The Identification/Intervention Decision Tree charts demonstrate how assessment data from progress monitoring and other forms of identification will be used to identify specific reading instructional needs and interventions for students.

1. What specific school-level progress monitoring data is collected and how often?
2. What instructional materials are used to inform instruction based on needs?
3. How does the school ensure the fidelity of students not progressing towards school and district goals?
4. How does the school ensure that all classroom instruction is accessible to the full range of learners using UDL?

ATTENDANCE PLANS TIERS & STRATEGIES

ATTENDANCE PLAN TIER 1 EXAMPLES

1. Attendance phone line for your school on the school website. **EASILY ACCESSIBLE, not in a document that has to be downloaded.**
 - Recommended locations: 1. Contact Us and 2. Absence Reporting Policy. Use a phone number intended for attendance reporting.
 - Add to the school’s splash page on the District website.
 - Attendance Clerk at the school should monitor the messages. Try to keep up so parents don’t get the “**voice mailbox is full**” message.
2. Teachers take daily attendance. Administrators and teachers work together to resolve conflicts in attendance records as a result of testing, field trips, illness, and other causes of a student’s absence from the classroom.
3. Parents are expected to update school records with a reliable phone number. On the school plan, how will parents know to do this?

ATTENDANCE PLAN TIER 2 EXAMPLES

- **Review attendance every week for students that are chronically absent or at-risk Look for patterns**
- **Suggest a home visit or conference**
- **Nurture teacher interest in helping to reach out to chronically absent students**
- **Recognize good and improved attendance**
- **Assign an attendance buddy (A student or teacher volunteer that checks in with students that have attendance concerns)**
- **Refer families to appropriate services (Social worker, guidance counselor, HEART, health services)**
- **Identify barriers (transportation, housing, income)**

ATTENDANCE PLAN TIER 3 EXAMPLES

- **Determine how many students have a history of missing 20% or more of school. Identify the students with your leadership team**
- **Ensure continued positive contact with the family**
- **Share data with appropriate agencies to coordinate services**
- **Work with families to avoid legal consequences to the extent possible**
- **Use appropriate protocol for B-TIP, CINS/FINS agencies**

Identifying projects, needs, and goals and then telling parents how they can contribute

Engage is “to come together and interlock”

Listening to what parents think, dream, and worry about with a goal of not to serve clients but to gain partners

Involvement implies *doing to*; in contrast, **Engagement** implies *doing with*

Family And Community Engagement (FACE) Plan

Impact Area: Program Environment/Culture

Benchmark Assessment System Training	Teachers in the primary and intermediate grades will attend Benchmark Assessment System Training (B.A.S.) during the first quarter of the 2016-2017 school year to enhance their teaching skills in the area of reading and diagnostic testing. Teachers will learn how to implement the new diagnostic tool to assess student reading levels. This will allow teachers to use this diagnostic tool to help shape small group reading instruction, as well as tailor lessons based on students' diagnostic needs. This diagnostic tool will be utilized monthly.		
Ready and I-Ready Reading Training	Teachers in the primary and intermediate grades will attend the Ready and I-Ready Reading Training September 21 and 22, 2016. This training will enhance their understanding of the new core curriculum reading series to be used during whole group and small group instruction. Teachers will learn how to utilize the I-ready diagnostic tool to help drive curriculum and differentiate instruction in order to enhance their teaching skills.		
Ready and I-Ready Math Training	Teachers in the primary and intermediate grades will attend the Ready and I-Ready Math Training September 12, 13 and 14, 2016. Rationale

Does every school have to have a SPBP?

Yes, the SPBP is a part of the School Improvement Plan (SIP) and includes the BTU contracted discipline plan. Even if your school completes the state SIP they still need to complete the SPBP. It is also an embedded piece of **Best Practice # 2: Ensuring High Quality Embedded RtI Processes.**

Why?

The SPBP is the blueprint of your behavior curriculum. It needs to be documented and monitored for you to be able to evaluate the success of your curriculum. All schools, regardless of level or type, must have an individualized implementation plan submitted on the District's template.

The District's Initiative

Multi-Tiered System of Supports (MTSS)

MTSS is a term used to describe an **evidenced based** model of schooling that uses **data based problem solving** to integrate academic **and behavioral** instruction and intervention. The integrated instruction and intervention is delivered to students in **varying intensities** (multiple tiers) based on student need.
