SAC AND SAF ELECTION PROCEDURES

Once a nominating committee is named (as per your school's bylaws) the following procedures should be utilized.

1. Send out memo to school parent population (or otherwise advertise to your entire community, a notice that SAF elections will be held at the May meeting of the school year. Request nominations!
2. The Nominating Committee may extend a courtesy call to each of the present SAF officers asking if they wish to stay on as officers for the next school year (again, check your bylaws for limits on terms of office).
3. The Nominating Committee compiles a slate of officers from the names they have received from steps 1 and 2. It is the charge of the nominating committee to slate that candidate who is best qualified for the position.
4. The Nominating Committee makes a courtesy call to each slated officer to inform them of their nomination and reconfirm their acceptance of the nomination.
5. The Nominating Committee presents slate of officers to membership either at a general meeting usually one month prior to the election. (Check your bylaws!)
6. The Nominating Committee conducts the elections. They present the slate at the election meeting and ask for nominations from the floor. **If there are no nominations** from the floor the slate can be voted on as is - one vote for the entire slate.
7. If there are nominations from the floor you can have either an open or closed ballot election. An open ballot is typically taken by a show of hands; a closed ballot is taken by written ballot. You must vote for each position for which there is more than one nominee. Then, you can vote on the remainder of the slate. (For example: there is a nomination from the floor for the position of recording secretary. You must have a vote for the position of recording secretary (either open or closed) and then vote on the remainder of the slate.)

SAC AND SAF ELECTION PROCEDURES

In the event there is no nominating committee formed then:

- 1. Send out memo to school parent population** (or otherwise advertise to your entire community) a notice that SAF elections will be held and Nominations will be taken from the floor.
- 2. Anyone can nominate a candidate**, even the candidate themselves, from the floor. You can have either an open or closed ballot election. An open ballot is typically taken by a show of hands; a closed ballot is taken by a signed, written ballot. You must vote for each position for which there is a nominee.

SAF Minutes must reflect the voting procedure and who was elected to each position.

- C. Recognize good and improved attendance**
- D. Provide personalized outreach**
- E. Remove barriers**

**Tier 3: Coordinated school and district response (Student Services Department).
Legal intervention (last resort)**

ATTENDANCE PLANS TIERS & STRATEGIES

ATTENDANCE PLAN TIER 1 EXAMPLES

1. Attendance phone line for your school on the school website. **EASILY ACCESSIBLE**, *not in a document that has to be downloaded*.
 - Recommended locations: 1. Contact Us and 2. Absence Reporting Policy. Use a phone number intended for attendance reporting.
 - Add to the school’s splash page on the District website.
 - Attendance Clerk at the school should monitor the messages. Try to keep up so parents don’t get the “**voice mailbox is full**” message.
2. Teachers take daily attendance. Administrators and teachers work together to resolve conflicts in attendance records as a result of testing, field trips, illness, and other causes of a student’s absence from the classroom.
3. Parents are expected to update school records with a reliable phone number. On the school plan, how will parents know to do this?

ATTENDANCE PLAN TIER 2 EXAMPLES

- **Review attendance every week for students that are chronically absent or at-risk Look for patterns**
- **Suggest a home visit or conference**
- **Nurture teacher interest in helping to reach out to chronically absent students**
- **Recognize good and improved attendance**
- **Assign an attendance buddy (A student or teacher volunteer that checks in with students that have attendance concerns)**
- **Refer families to appropriate services (Social worker, guidance counselor, HEART, health services)**
- **Identify barriers (transportation, housing, income)**

ATTENDANCE PLAN TIER 3 EXAMPLES

- **Determine how many students have a history of missing 20% or more of school. Identify the students with your leadership team**
- **Ensure continued positive contact with the family**
- **Share data with appropriate agencies to coordinate services**
- **Work with families to avoid legal consequences to the extent possible**
- **Use appropriate protocol for B-TIP, CINS/FINS agencies**

Benchmark Assessment System Training	Teachers in the primary and intermediate grades will attend Benchmark Assessment System Training (B.A.S.) during the first quarter of the 2016-2017 school year to enhance their teaching skills in the area of reading and diagnostic testing. Teachers will learn how to implement the new diagnostic tool to assess student reading levels. This will allow teachers to use this diagnostic tool to help shape small group reading instruction, as well as tailor lessons based on students' diagnostic needs. This diagnostic tool will be utilized monthly.		
Ready and I-Ready Reading Training	Teachers in the primary and intermediate grades will attend the Ready and I-Ready Reading Training September 21 and 22, 2016. This training will enhance their understanding of the new core curriculum reading series to be used during whole group and small group instruction. This strategy can be used by the classroom teacher as an alternative method, when students are having difficulty with basic computation.		
Authentic Professional Learning Community	Teachers, administrators and support staff will attend weekly Professional Learning Communities throughout the school year. They will analyze students data, work collaboratively to unwrap the Florida State Standards, and develop in-depth lessons (i.e., CARE packages) that will include step by step instructions, research based remediation and enrichment components, various teaching materials, strategies, and websites information that will be utilized to enhance student achievement.

School Improvement Plan Presentation December 2017

Broward County Public Schools 

Diversity, Prevention & Intervention Department 

School-wide Positive Behavior Plan SPBP

Objectives

After this presentation, you will know:

- ✓ Why all schools need to complete a SPBP
- ✓ How the SPBP is connected to PBIS
- ✓ What the template contains this year
- ✓ What your next steps should be
 - **SPBP Implementation Plan**
- ✓ Where to find the resources to complete the SPBP
- ✓ When the SPBP is due

**HINT: April 30
every year!**

Rationale

Does every school have to have a SPBP?

Yes, the SPBP is a part of the School Improvement Plan (SIP) and includes the BTU-contracted discipline plan. Even if your school completes the state SIP they still need to complete the SPBP. It is also an embedded piece of **Best Practice # 2: Ensuring High Quality Embedded RtI Processes.**

Why?

The SPBP is the blueprint of your behavior curriculum. It needs to be documented and monitored for you to be able to evaluate the success of your curriculum. All schools, regardless of level or type, must have an individualized implementation plan submitted on the District's template.

The District's Initiative

Multi-Tiered System of Supports (MTSS)

MTSS is a term used to describe an evidenced based model of schooling that uses data based problem solving to integrate academic **and behavioral instruction and intervention**. The integrated instruction and intervention is delivered to students in varying intensities (multiple tiers) based on student need.

How does it all fit together?

The SPBP *is* PBIS!

10 Critical Elements:

1. Active PBIS/Discipline Team with Leadership Participation
2. Faculty & stakeholder buy-in & commitment
3. School-wide Expectations with Lesson Plans
4. Location-based Rules with Lesson Plans
5. Effective Reward/Recognition Programs
6. Effective Discipline Process and Procedures
7. Classroom Management System (CHAMPs)
8. Data-based decision making
9. Implementation Planning
10. Ongoing Progress Monitoring & Evaluation

PBIS

Builds environments in which positive behavior is more effective than problem behavior

Is a **collaborative, assessment-based** approach to developing effective interventions for problem behavior

Emphasizes the use of **preventative, teaching, and reinforcement-based strategies** to achieve meaningful and durable behavior and lifestyle outcomes

- ✓ Decrease in office discipline referrals & suspensions

- ✓ Improved student and staff safety
- ✓ Increased student and staff safety
- ✓ Decreased staff absenteeism

3. VAL-ED SURVEY TIMELINE & PROCEDURES

VAL-ED SURVEY

The VAL-ED is an online survey all directors, principals and teachers take to rate the effectiveness of instructional leadership at each school site

The survey results will serve as a guide for professional development for cadre directors

- Survey answers are completely anonymous and the online survey will take about 20-30 minutes
- It is advised that the survey be completed in one sitting

- Schools will receive a school survey code and unique access codes to be randomly distributed

SPECIFIC DIRECTIONS WITH ACCESS CODES WILL BE SENT TO PRINCIPALS

- Ratings for each question are scored from 1 (lowest) to 5 (highest)
- When a score for each item is given, an item from the “evidence” choices needs to be indicated

VAL-ED SURVEY

**2017-18 VAL-ED SURVEY WILL BE CONDUCTED
JANUARY 8 – JANUARY 31**

PRINCIPALS WILL BE SENT DIRECTIONS VIA PIVOT

**A Best Practice for successful survey completion success
is to have all instructional staff take the survey
in a group setting.**

Information about Accountability Rules and School Grade Calculations

<http://www.fldoe.org/accountability/accountabilityreporting/accountability-rules.stml>

Important Note - Florida Statute 1008.36 states:

"If school staff and the School Advisory Council cannot reach agreement by February 1, the award must be equally distributed to all classroom teachers currently teaching in the school."

1. The School Advisory Council (SAC) creates written proposals in the form of a ballot for the expenditure of the funds:
 - a. The ballot lists the options for dispensing the A+ Funds.
 - b. Use percentages when creating your award distribution proposals through SAC. (For example, 80% of the award to be distributed equally among all staff members employed at the school during prior school year and 20% goes back to the school).
2. One of the options on the ballot must be “none of the above.” It is recommended that the ballot consist of 1 or 2 options and “none of the above” such that there is a greater chance of one of the options receiving a majority vote (51%) on the first round of voting.
 - a. The ballot MUST be presented to the faculty and staff a minimum of three workdays prior to the vote.
3. Funds may be used for:
 - a. One-time bonuses to faculty and staff,
 - b. Purchase of educational equipment or materials, or
 - c. To hire temporary personnel to assist in maintaining and improving student performance.
4. Faculty and staff must vote by secret ballot on the proposals.
5. The proposal with the majority of votes (51%) is implemented.
6. If no proposal or “none of the above” receives the majority of votes, then the SAC reconvenes again and creates different proposals to be presented and voted on at another meeting.
7. Minutes and attendance MUST be taken for each meeting and submitted to the principal
8. Equipment and supplies shall be ordered by the site via District purchasing procedures.

It is unlikely that you will need to know all details, but should have an idea of the basic way a meeting will unfold.

What Are The Roles & Expectations of an Advisory Committee

“Volunteer citizen advisory boards are an integral part of American local government.”

Municipal Research and Services Center

provide judicious advice from a stakeholders perspective

formulate, and forward well-developed, thoughtful recommendations to the legislative body

study critical issues, taking public testimony, performing independent research

Review staff reports and recommendations

Advice does not have to be accepted but it needs to be recognized if proper respect and consideration is given to the members.

What Does SAF Need To Do

- Be supportive of the school and supportive in finding **solutions** to concerns being raised at the school level.
- Never blindsides your principal.
- Do not shy away from bringing something to the attention of your principal or SAF members.
- Remember we work together and we are not always going to agree on issues.
- Bring to the table information regarding the community and culture that assists a principal in interacting with the parents of your community.
- Provides a democratic way to problem-solve and build teams

SAF DUTIES – Community

- Address parent/community concerns; work with the administration to solve problems and to initiate desirable change.
- Assist in planning, developing and implementing parent/community programs and training activities.
