## Developing Skills to Make a Difference

### CREST Vision

*Civically Relevant Experiences for Teachers and Students (CREST) strives to provide engaging, hands-on experiences outside of the classroom that provide Broward Public Schools teachers and students with tools for meaningful engagement with the community. CREST programs provide opportunities to explore local industries and potential career paths, to engage in a safe space about community issues, and to collaborate on finding solutions to real-world problems.*

*The hands-on problem-solving programs that the Civic Engagement Team provides, like those listed below, require your support to sustain and grow.*
