

STEM+Computer Science

For every student in every school

Broward PBL Portal Custom Project Builder / Citizen Science

- Connects K-12 teachers and students with authentic, curated research projects
- Students become active participants in a global citizen science community.
- Data is shared with scientists and researchers to help answer important questions and better understand our world
- Can be integrated into a variety of subject areas such as science, civic engagement, math, and ELA.
- Broward's custom Project Builder feature provides a tool for schools and communities to collaborate in collecting data and solving local problems
