

Visual Arts

For every student in every school

Secondary Arts Vision

- To provide rigorous and relevant visual art courses including traditional foundation courses as well as 21st century new media arts.
- To apply 21st Century Skills to drive creativity and artistic problem solving, supporting innovation and artistic risk taking to stimulate the imagination, and prepare students to compete in a global economy.
- To provide or support quality District wide art exhibition opportunities for secondary students celebrating successful accomplishments in the visual arts and provide scholarship opportunities.
- To provide professional learning, advancement of knowledge, and leadership opportunities for secondary art teachers.

Visual Arts Programs

As this country works to strengthen our place in the 21st Century global economy, the fine arts equip students with a creative and competitive edge. The visual arts provide the skills and knowledge students need to develop creativity and determination necessary for success.
