

HOLLYWOOD HILLS HIGH SCHOOL

Dear Spartan Community,

The Hollywood Hills High School Parent Teacher Student Organization (HHHS PTSO) is an active group of volunteers- Parents, Teachers / Staff and Students - dedicated to promoting the wellbeing of our Children in their Home, School, and Community. We are asking for your support! PTSO membership allows you the opportunity to take an active role in creating and voting on future events for our school, in addition to helping with the funding of many activities in and around the school. Being a member of the PTSO does not obligate you to serve or to attend any meetings, although we hope you will. Membership does put you on our communication log for ongoing school event information and volunteer opportunities.

We ask that you complete the form below and return with your student to the school. **Membership is \$10 per family.** Should you have any questions, do not hesitate to contact the school at (754)323-1050 or send an email to **hhhsPTSO@gmail.com**
