

# 6<sup>TH</sup> ANNUAL ABOVE THE INFLUENCE (ATI) MARCH

## We Need Your Support to Help Our Students March for a Healthy Future

Every student's life is filled with pressure, some of it good, some of it bad. The goal of the Above the Influence (ATI) March is to help students stand up to negative pressures and influences such as drugs and alcohol, bullying, discrimination, gangs, or any other destructive behavior or attitude. ATI is brought to you annually by Broward County Public Schools in partnership with community agencies and supporters like you. Over the last 5 years, over 13,000 students have marched united in celebration of their decision to live Above the Influence of negative pressures.

This year's 6th annual festivities are on Friday, March 15, 2019. It will include marching, a unity of the bands, as well as student performances. Prior to the event, schools will utilize lesson plans in the ATI March Toolkit as well as assembly materials to help students understand negative influences and how to 'live above' them.

We need your help! The cost of transporting, feeding, and providing marketing materials to thousands of students is unfunded. Please help us lead this change for our students by sponsoring this positive youth movement.
