Electronic Nicotine Delivery Systems (ENDS) or vaping among youth has become a national epidemic. To provide greater awareness regarding the prevention and intervention resources, Broward County Public Schools has developed a tiered curriculum structure for students.

**Tier 1**
All Schools
CATCH My Breath

**Tier 2**
In-School Suspension (ISS) and short-term Alternative to External Suspension (AES) Assignment
**Scholastic:** The Facts About Vaping

**Tier 3**
Alternative to External Suspension (AES) Site Assignment
**Standard Medicine:** Tobacco Prevention Toolkit

**ENDS Curriculum Resources**
