Bullying	6-8	Harassment: Bullying	Students will learn the impact bullying has on others.	Harassment, Cyberbullying
Bullying	6-8	What is Harassment?	Students will learn the definition of harassment, and how to identify harassing behaviors.	Harassment, Cyberbullying
Cheating & Plagiarism	6-8	How to Prevent Plagiarism in Middle School	Students will identify the different tools and skills that will aid in preventing plagiarism and cheating on papers and other written works.	Responsibility, Stealing
Cheating & Plagiarism	6-8	Identifying and Defining Plagiarism in Middle School	Students will define plagiarism and explain what makes a work plagiarized.	Responsibility, Stealing

Theme/Subject Area	Grades	Title	Objectives	Associated Topics
Cheating & Plagiarism	6-8	The Consequences of Cheating and Plagiarism in Middle School	Students will learn how cheating and plagiarism affect their present and future.	Responsibility, Stealing
Communication	6-8	The Damage You Do	Students will learn about the damage that can be caused to them and others by the words they use and the way they communicate with others.	Digital Literacy, Responsibility, Relationships
Communication	6-8	You Said What	Students will learn the impact of using profanity at school, at home, and in the community.	Cursing
Conduct	6-8	Busted on the Bus: What Happens When You Choose to Break Bus Rules.	Students will learn how different behaviors on a bus can impact the safety and the environment of the school bus. Students will recognize how their choices can distract the bus driver and put everyone on and around the bus at risk.  Students will learn the importance of self-discipline.	Bus, Rules, Safety, Disruption
Conflict Resolution	6-8	Choosing Non-Aggressive Words and Body Language	Students will learn how aggressive language can negatively impact their relationships with peers and adults.	Aggression, Cursing, Relationships
Defiance	6-8	Defiance in School	Students will learn why they have feelings of defiance and how to de-escalate conflicts between themselves and others. <b>CONTENT ADVISORY</b> - Be advised that some of the video content in this lesson contains extreme behaviors and explicit language.	Self-Management; Coping; Conflict Resolution

Theme/Subject Area	Grades	Title	Objectives	Associated Topics
Digital Literacy	6-8	Navigating the World of Digital Citizenship in Middle School	Students will learn the proper etiquette of the digital world, how to use the tools, and how to avoid abuse from others.	Responsibility; Safety
Digital Literacy	6-8	Responsible Online Behavior	Students will identify the responsibilities they have when learning online, including not plagiarizing, reporting cyberbullying, using proper netiquette, and being thoughtful about what is posted online as they consider their self-image and the long-term consequences of negative online behaviors.	Responsibility; Safety, Bullying, Cyberbullying
Digital Literacy	6-8	Protect Yourself Online	Students will identify the importance of protecting their privacy online, including dangers that they may face from potential predators, identity thieves, and other malicious people.	Responsibility; Safety
Diversity	6-8	Tolerance and Discrimination	Students will understand how discrimination is an isolating behavior and why acceptance and inclusion of all people build solid relationships and positive school communities.	Tolerance, Discrimination, Inclusion
Diversity	6-8	What's the Big Deal? The Impact of Racial and Discriminatory Behavior (MS)	Students will learn about racism and discrimination and the harm they cause others and themselves when they engage in racist and discriminatory behaviors.	Racism, Tolerance, Inclusion, Bias
Good Habits	6-8	Self-Discipline: Habits	Students will learn the science behind building good habits, how procrastination can hinder good habits, and how to tell the difference between good and bad habits.	Responsibility, Self-Control, Rules, Procrastination

Theme/Subject Area	Grades	Title	Objectives	Associated Topics
Gossip	6-8	Gossiping and Rumors	Students will learn how gossip and rumors are a form of harassment that can do a lot of damage to victims emotionally.	Communication, Rumors, Respect
Marijuana	6-8	Marijuana Addiction	Students will be able to tell facts from myths about marijuana addiction.	Drugs, Substance Abuse
Respect	6-8	The Consequences of Disrespect in Middle School	Students will learn the consequences of being disrespectful in and out of the classroom.	Respect, Disruption
Respect	6-8	What is Respect in Middle School	Students will learn the importance of giving and receiving respect in and out of the school setting.	School Rules, Responsibility
Responsibility	6-8	How to Make Good Decisions	Students will learn what decision-making is and how to use a simple model to make personal decisions.	Responsible Decision-Making
Rules	6-8	Be Attendance Aware: Strategies for Staying in School	Students will learn about attendance awareness. Students will recognize and reflect on the reasons they skip class. Students will reflect on how their absences affect themselves and others. Students will choose one reason why they skip class and decide how they will handle the situation next time they are faced with that reason.	Attendance, Tardiness, Skipping class
Self-Control	6-8	The Consequences of Not Having Self-Discipline	Students will learn the consequences of not having self-discipline, along with the short-term and long-term effects that it can have on a person.	Self-Regulation, Impulsivity

Theme/Subject Area	Grades	Title	Objectives	Associated Topics
Self-Control	6-8	Self-Discipline: Defining Self-Discipline	Students will learn how to develop self-discipline and apply those skills to school and social situations.	Responsibility, Self-Control, Rules
Sexism	6-8	Discrimination: Sexism	Students will learn what 'sexism' is and what the consequences of sexism are legally and according to the school code.	Discrimination
Sexual Misconduct	6-8	What is Sexual Harassment?	Students will learn how to identify the differences between joking around or flirting and unwanted advances, which can turn into sexual harassment. CONTENT ADVISORY: The nature of the topic may be uncomfortable for some participants; guidance may be required.	Sexual Assault, Harassment
Stealing	6-8	Theft: The Aftermath	Students will learn about the consequences of stealing in the penal code, the school community, and in their personal social lives.	Theft, Responsibility
Stealing	6-8	What is Theft?	Students will understand the meaning of theft to the school and the community.	Theft, Responsibility
Trespassing	6-8	The Dangers of Trespassing in Middle School	Students will explain the dangers and consequences of trespassing.	
Vandalism	6-8	Understanding the Effects of Vandalism	Students will learn about the different types of vandalism, how it affects a community, and the consequences for committing acts of vandalism.	Respect

Theme/Subject Area	Grades	Title	Objectives	Associated Topics
Vandalism	6-8	What Is Vandalism?	Students will define vandalism and identify the consequences to themselves and others.	Respect, Responsibility
Vaping	6-8	Vaping: Are the Consequences Worth It?	Students will learn about the dangers of vaping and the consequences they may face if they vape, including legal, health, and personal consequences.	Substance Abuse, Smoking
Vaping	6-8	We're Not Just Blowing Smoke	Students learn about the dangers of tobacco products and the potential health problems associated with their use and identify sources of support that they can access to stop using these products.	Substance Abuse, Smoking
Vaping	6-8	What is Vaping?	Students will learn the differences between vaping and smoking and identify the myths behind its perceived safety.	Substance Abuse, Smoking

## Grades 9-12

Aggression	9-12	Learning the Consequences of Aggression	Students will identify the consequences of aggressive behaviors in the school setting, with the law, and in the social circle. <b>CONTENT ADVISORY</b> - Be advised that some of the video content in this lesson contains extreme behaviors and explicit language.	Conflict Resolution
Alcohol	9-12	Crimes While Under the Influence	Students will analyze a real-life situation and identify the crimes committed while under the influence.	Substance Abuse, Criminal Activity

Theme/Subject Area	Grades	Title	Objectives	Associated Topics
Alcohol	9-12	Driving While Intoxicated	Students will learn about the statistics regarding underage drinking and driving and the effects that DWI accidents have on all participants.	Drunk Driving, Substance Abuse
Alcohol	9-12	Teen Alcoholism: What You Need to Know	Students will learn about the dangers of teen alcoholism, and the long-term effects on their health and social life as a result.	Substance Abuse
Anger Management	9-12	Keeping Your Cool: Controlling Your Anger & Resolving Conflicts	Students will identify different ways to de-escalate their emotions and resolve conflicts peacefully.	Self-Management, Coping, Conflict Resolution
Attendance & Tardiness	9-12	Expectations, Attendance, and Tardiness for the Online Class	Students will learn what it means to attend an online class, why it is important to attend, behaviors that make a student tardy or absent online, and how to succeed in online learning.	Skipping Class, Online Learning
Attendance & Tardiness	9-12	Learning How to Manage Your Time	Students will learn how to manage time appropriately to avoid lateness and consequences for lateness.	Time Management
Attendance & Tardiness	9-12	Skipping Class: How Missing Class Affects Everyone	Students will learn the meaning of truancy. Students will recognize and reflect on the reasons they skip class. Students will reflect on how their absences affect themselves. Students will reflect on how their absences might affect others. Students will choose one reason why they skip class and decide how they will handle the situation next time they are faced with that reason.	Skipping Class, Truancy

Theme/Subject Area	Grades	Title	Objectives	Associated Topics
Attendance & Tardiness	9-12	The Consequences of Being Late	Students will learn the effects of being tardy and how that will impact their futures.	Truancy
Attendance & Tardiness	9-12	What Does It Mean to Be Late in High School?	Students will learn what being tardy, or late, means to their academic and personal lives.	Truancy
Bullying	9-12	Cyberbullying in High School	Students will understand that cyberbullying is an aggressive act with the potential to cause significant harm to the person being bullied.  They will understand different forms of cyberbullying (including that which can happen in online classes) and the negative impact of each.	Cyberbullying, Digital Citizenship
Bullying	9-12	Harassment: Identifying and Defining Harassment and Bullying	Students will learn the definitions of bullying and harassment, how to identify the behaviors of bullies and what they can do to help someone who is a victim of bullying and harassment.	Harassment, Cyberbullying
Bullying	9-12	Preventing Harassment	Students will identify ways to prevent bullying and promote acceptance.	Harassment, Cyberbullying
Bullying	9-12	The Consequences of Bullying and Harassment	Students will understand the consequences of bullying and harassment.	Harassment, Cyberbullying
Cheating & Plagiarism	9-12	How to Prevent Plagiarism	Students will identify the different tools and skills that will aid in preventing plagiarism and cheating on papers and other written works.	Responsibility, Stealing

Theme/Subject Area	Grades	Title	Objectives	Associated Topics
Cheating & Plagiarism	9-12	Identifying and Defining Plagiarism	Students will define what plagiarism is and explain what makes a work plagiarized.	Responsibility, Stealing
Cheating & Plagiarism	9-12	The Consequences of Cheating and Plagiarism	Students will learn to identify the short-term consequences of cheating and plagiarism in school and out of school.	Responsibility, Stealing
Conduct	9-12	Busted on the Bus: What Happens When You Choose to Break Bus Rules.	Students will learn how different behaviors on a bus can impact the safety and the environment of the school bus. Students will learn how distractions can impact ANY driver. CONTENT ADVISORY - Be advised that some of the video content in this lesson contains extreme behaviors and explicit language.	Bus, Rules, Safety, Disruption
Defiance	9-12	Defiance	Students will learn that defiance has negative consequences for themselves and those around them.	Self-Management; Coping
Digital Literacy	9-12	Digital Responsibility in High School	Students will learn the difference between engaging in a formal and informal online setting, the dos and don'ts of online learning, how to respond and report cyberbullying, and the consequences of behaving poorly while they are online.	Responsibility; Safety
Digital Literacy	9-12	Navigating the World of Digital Citizenship	Students will learn the proper etiquette of the digital world, how to use the tools, and how to avoid abuse from others.	Responsibility; Safety

Theme/Subject Area	Grades	Title	Objectives	Associated Topics
Digital Literacy	9-12	Unsafe Behaviors in the Digital Community	Students will learn key elements of digital citizenship, including how to stay safe online and communicate in respectful and responsible ways.	Responsibility; Safety
Disruption	9-12	Disruption: Identifying & Defining Disruptions	Students will identify disruptive behaviors and recognize how to check themselves for disruptive behavior.	School Rules, Responsibility; Self-Management
Disruption	9-12	Disruption: Preventing Disruptive Behavior	Students will learn how following school rules and respecting others can help prevent disruptions.	School Rules, Responsibility; Self-Management; Respect
Diversity	9-12	Racist Slurs and Derogatory Language	Students will reflect on the power of racist or derogatory language that is used against African Americans, women, and the LGBT community. CONTENT ADVISORY - racist slurs and derogatory language is used without substitution; challenging and emotionally provocative material.	Racism, Tolerance, Inclusion, Bias
Emotional Health	9-12	Post-Traumatic Stress Disorder	Students will learn about the signs and symptoms of Post-Traumatic Stress Disorder (PTSD) and how to get help in managing PTSD.	Mental Health
Marijuana	9-12	Up in Smoke: Teen Addiction to Marijuana	Students will be able to differentiate fact from common myths about marijuana addiction.	Drugs, Substance Abuse

Theme/Subject Area	Grades	Title	Objectives	Associated Topics
Productivity	9-12	The Media Multitasking Myth: How Digital Distractions Destroy Our Ability to Get Things Done.	Students will understand how productivity is impacted by multitasking. Students will learn about the benefits of active learning. Students will learn about digital distractions. Students will learn to recognize potential classroom distractions. Students will learn to manage their classroom / learning distractions.	Responsibility, Digital Literacy, Time Management, Distractions
Respect	9-12	Creating a Community of Respect	Students will learn how to create a community of individuals linked by caring about one another.	Relationships
Respect	9-12	The Consequences of Disrespect	Students will learn the consequences of being disrespectful in and out of the classroom.	Disrespect, Disruption
Respect	9-12	What is Respect?	Students will learn the importance of giving and receiving respect in and out of the school setting.	School Rules, Responsibility
Responsibility	9-12	Self-Control: The Consequences of Losing Control	Students will investigate how to accept responsibility, recover, and reflect on their behavior after losing control.	Self-Control, Responsible Decision-Making
Rules	9-12	Consequences of Disruptions	Students will learn that disrupting class or school can have serious consequences and that they are responsible for remembering and obeying school rules.	Disruption, School Responsibility
Self-Control	9-12	Self-Control: Keeping Control of Your Actions	Students will learn how to identify their triggers, and de-escalation techniques to avoid losing control.	Responsible Decision-Making

Theme/Subject Area	Grades	Title	Objectives	Associated Topics
Self-Control	9-12	What is Self-Control?	Students will learn the reasons why we lose control, and how to regain composure in trigger situations.	Responsible Decision-Making
Sexual Misconduct	9-12	Consequences of Sexual Behaviors at School	Students will understand the implications of engaging in sexual behaviors at school including its impact on them personally, their partner, other people at school. Short-and long-term consequences are discussed. CONTENT ADVISORY: Given the nature of this topic, it is highly recommended that students either complete this lesson with an adult or engage in a follow-up discussion with an adult as soon as possible after completing the lesson.	Respect, Responsibility, School Rules, Relationships
Sexual Misconduct	9-12	Sexual Assault and Alcohol	Students will learn about the different types of sexual misconduct associated with alcohol, along with the consequences of such behavior.	Sexual Assault, Alcohol, Substance Misuse
Stealing	9-12	Preventing Theft in the School Community	Students will learn what it takes to stand up to theft in the school community.	Theft
Stealing	9-12	The Consequences of Stealing	Students will learn about the consequences of stealing in the penal code, the school community, and their personal social lives.	Theft
Stealing	9-12	What is Theft?	Students will understand the implications of theft in school and in the community.	Theft, Responsibility

Theme/Subject Area	Grades	Title	Objectives	Associated Topics
Vandalism	9-12	Vandalism: Stopping It	Students will learn about the options for preventing vandalism at school and in their community, and how to work together to protect their public spaces.	Respect, Responsibility
Vandalism	9-12	Vandalizing and Misusing School Property (HS)	Students learn what it means to damage school property, why damaging school property is not acceptable, and the potential consequences of vandalizing or misusing school property.	Respect, Responsibility
Vaping	9-12	It Could Happen to You(Tobacco)	Students will identify the dangers of tobacco use including cigarettes, e-cigarettes, and smokeless tobacco products and the potential health problems associated with each. Students will identify sources of support they can access to stop smoking.	Tobacco, Smoking
Vaping	9-12	Vaping: Do you know what you're doing to yourself?	Students will learn that vaping has the potential to cause serious harm and addiction.	Substance Abuse, Smoking
Vaping	9-12	Vaping: Is it Safe?	Students will learn the differences between vaping and smoking and identify the myths behind its perceived safety.	Substance Abuse, Smoking
