- Students that are sick, not feeling well or have been in close contact with someone positive for Covid -19 should remain home.

Maintaining a safe campus is a continued priority at Sanders Park. On-going safety and security measures will be implemented to ensure that our campus is safe. Perimeter gates will be supervised or remained locked throughout the school day.

**Please help us to keep our campus safe by adhering to the following expectations:**

## SCHOOL UNIFORMS

Sanders Park Elementary is a mandatory unified dress code school. It is expected that all students are in uniform. Uniforms help us recognize our students in case of an emergency. The student dress code guidelines outlined in the Code of Student Conduct will be enforced.

Tops – navy, white, red; Bottoms – Navy, Khaki, black; NO leggings unless covered by a shirt that reaches mid-thigh. Students **may not** wear backless, sling backs (Crocs), or open-toed shoes.

## EMERGENCY PREPAREDNESS

Emergency preparedness drills will continue to occur on a regular basis (fire - monthly and tornado drills – two times per year). Additionally, the District has mandated that “Lock Down” drills be conducted monthly as a part of our emergency preparedness. Appropriate notice of the drills will be provided when necessary. In the event of an actual emergency, Sanders Park will communicate with the school community as soon as feasibly possible using Parent Link. **Please keep your contact information updated** to ensure you receive communication in a timely manner.

**Be a Partner in your child’s education**

Broward County Public Schools (BCPS) is presenting a referendum renewal to increase voters’ investment in education to one mill on the August 23, 2022, primary election ballot. The Secure the Next Generation referendum renewal would provide funds that will be used to recruit and retain high-quality teachers and eligible staff, school safety staff and enhance important programs in District schools, such as mental health services for students and families. This referendum supports a continued commitment to secure a high-quality education and safe learning environment for BCPS students, teachers, and staff.
