Federal Percent of Points Index (FPPI)

New Federal Percent of Points Index (FPPI) will be used to determine school grades, sub group needs and identifying the English Language Proficiency Progress. If a school has a sub group area of need, a school improvement plan will need to be created. This includes universal supports that are general, statewide support designed to inform, assist and improve student and school results.

SAC Review

Looking forward to the continued parent involvement we are lucky to have on our SAC. Please consider joining SAC next year and think about taking a mandatory SAC parent position such as SAF chair or Innovation Zone representative. We will be discussing SAC officers and elections in upcoming meetings.

Parent Survey

If you have not done so already, please complete the parent survey.
