

Family Educational Rights and Privacy Act (FERPA) Notice

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the accuracy and privacy of students' education records.

FERPA, F.S. §1002.22, F.S. §1002.221 and SB Policy 5100.1 (Student Records: Confidentiality and Family Educational Rights) afford parents, guardians or eligible students (students over 18 years of age or attending a postsecondary institution) certain rights with respect to the student's education records maintained by the District. These rights are:

1. **The right to inspect and review a student's education records within 30 days of the day the District receives a request for access.** Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected. When the education records contain information about more than one student, a parent may review the information related only to his or her child. E-mails not maintained in a student's file folders kept by the schools or District departments are not education records. In addition, records created and maintained solely by Special Investigative Unit (SIU) are not education records.
2. **The right to request the amendment of a student's education records.** Parents or eligible students may ask The School Board of Broward County, Florida (SBBC) to amend a record they believe is inaccurate, misleading, or in violation of the student's privacy rights. They should write the school principal, clearly identify the part of the record they want changed, and specify the reasons for the request. If the District decides not to amend the record as requested, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing within a reasonable period of time regarding the request for amendment. Additional information regarding the hearing procedures will be provided when the parent or eligible student is notified of the right to a hearing.
3. **The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without written consent.** FERPA permits disclosure without written consent in many situations, including:
 - a. to SBBC school officials¹ with a legitimate educational interest²,
 - b. to contracted outside agencies and organizations, whose personnel perform their duties in a "school official" role and who are prohibited from re-disclosing personally identifiable information from education records, except as required or permitted by law,
 - c. to school officials of other institutions for the purposes of student transfer or student enrollment,
 - d. to authorized federal, state and local officials, including educational authorities, and for audits or evaluations of federal and state supported programs,
 - e. to comply with judicial orders or lawfully issued subpoenas; the parent/guardian/majority age student will be notified in advance of SBBC's intent to comply in ten (10) days so the parent or majority age student may seek protective action, except where the law prohibits or does not require said notification,
 - f. to appropriate parties in connection with a health or safety emergency, and,
 - g. to an agency caseworker or representative of a state or local child welfare agency, or tribal organization, when the agency is legally responsible for the care and protection of the student

Additional requirements and conditions may apply to non-consensual disclosures. See SB Policy 5100.1 for a full listing of FERPA-permitted disclosures for which prior written consent is not required.

The FERPA Opt Out Notification Form must be submitted to the school principal annually. Regarding former students, SBBC shall continue to honor any valid request to opt out of the disclosure of directory information made while a student was in attendance, unless the former student rescinds the opt out request (34 CFR §99.37(b)).
