

HARVEST DRIVE

We are pleased to be working on this years' Harvest Drive collection. This altruistic initiative provides us all, but particularly our students, with the awesome opportunity to give back and to help others in need. Through our efforts and the support of our school, along with the help of our partners, Broward County Schools believe that this years' campaign will reach even higher heights!

The schools are being asked to collect a variety of non-perishable items, not just can goods. This will ensure that we provide our families with as many varied items as possible. Additionally, each school is asked to collect at least (10) PUBLIX gift cards, each valued at \$35. Anyone willing to donate gift cards or money will be greatly appreciated. We will also have a \$\$\$ donation bucket at sign-in during MUSEUM Night.

An ice-cream or pizza celebration will be awarded to the classes who have the most donations.

Below is a sample list of non-perishable items needed for Harvest Drive:
