Message From The Principal

Dear Parents,

in a few days we will close out the 2021 - 2022 school year. It has been a year of love, laughter, social and academic growth and sorrow. Our students and staff have endured CoVid - 19 and the loss of loved ones, but they have persevered. The Atlantic West teachers have endeavored to provide the best experiences possible for our students.

We have seen the students grow academically, with many improving their learning gains and making up for time lost in the latter half of 2020 and the inconsistencies of the 2020 - 2021 school year. We have seen the students work on their social and interpersonal skills - learning to navigate situations, collaborate as a group and connect and help each other. Many of our students arrived at school early and stayed late for academic camp in order to improve their academic skills; our teachers also invested in the success of AWE by teaching the before and after school camps, all while keeping up with their daily responsibilities.

It is a joint effort between home and school to educate our students and I thank you for partnering with us as we work together to make sure our students are successful.

This summer, our campus will receive a much needed facelift as we prepare for the return of our scholars in August. As of June 13th, we will begin a 4-day work week - Monday to Thursday and the office will be open from 7:30 a.m. to 3:00 p.m. We invite you to contact us during these times for any information you may need or to register a student. I highly encourage you to register any new students prior to the first week of school, this will prevent any delays and you will avoid the last minute rush. I wish you and your loved ones a safe and enjoyable summer break. We look forward to welcoming you back to Atlantic West in August.

Warm Regards,

Shereen R. Reynolds

Principal

Important Dates To Remember

Thursday, June 9- Early Release Day @ 12:15 p.m. Last day for Students

Friday, June 10 - Teacher Planning Day - No School for Students

Thursday, July 28 - iReady access closes
