

PANTHER PAWPRINTS

“EXCELLENCE THROUGH CARING”

MARCH - APRIL 2018 EDITION

Principal's Message

Thomas J. Schroeder
Principal

Vicki Flournoy
Assistant Principal

Our mission at Margate Elementary School is to create a nurturing environment so that our students will become independent, successful, life-long learners by providing a high quality, differentiated, and innovative curriculum based on the Sunshine State Standards.

6300 NW 18th Street
Margate, FL 33063

Phone Number:
754-322-6900

Dear Margate Families,

Our thoughts, prayers and support continue to be with the Stoneman Douglas Community. All of us are profoundly affected by this tragedy. In the recent weeks, we have continually reviewed all safety procedures and thank the parents/community members who attended our February Community Safety Meeting. Our school community amazingly raised almost \$900 from our Douglas Dress Down Day. As school safety procedures are updated, we promise to inform all parents and community members.

Our first round of FSA testing will take place on Wednesday, April 4th when our fourth and fifth grade students will take the FSA Writing portion of the ELA exam. We know that our students are well-prepared for the exam and applaud them for their hard work and dedication in demonstrating their skills on this assessment. We applaud our fourth and fifth grade teachers for all their hard work preparing our students to meet success on this exam. Our third grade students will take their FSA ELA assessment on Tuesday, April 10th and Wednesday, April 11th. Please make sure to review the testing calendar located in this edition of Panther Pawprints and on our website. Important resources regarding these exams can be found at <http://fsassessments.org/>.

Here you will find practice exams and details regarding the administration, utilization and interpretation of our high stakes tests here in Florida.

Spring is an important time here at Margate Elementary. In addition to our testing season, we are also seeking your input regarding the operation of our school. This year, the entire district will participate in the AdvancEd Survey which provide us feedback regarding our accreditation standards. You can access the survey electronically and as a measure of gratitude of your participation in the survey, your child will receive free ice cream in the café and the opportunity to win a \$50 Gift Certificate. Your

feedback is critical to our school and helps us to perfect the programs we have here at Margate Elementary. The survey can be access online and additional details will be sent home. Additionally, we will be asking for your input regarding our Title One Programs. This survey is separate from the AdvancEd survey and will also available electronically. Please look for details regarding both surveys coming home this month.

Come spend a great afternoon and support our school at the Annual Monarch Hill Energy Day. The event will take place on and have a fun- filled free afternoon is to register for the Annual Monarch Hill Energy Day on Saturday, April 14th from noon to 3pm. The school with the greatest number of registrations and highest attendance will be awarded \$3,000. Our school can win based on the attendance of our third, fourth and fifth grade students. The entire event is free and there will be food, tours, rides, etc. Please register your third, fourth, or fifth grade student at www.monarchhillearthday.com. The entire family is welcome to attend.

Finally, please join us for our upcoming Spring Fling and School Advisory Council Meeting on Friday, March 16th, at 6:00 p.m. in the cafeteria. This is a great evening and all who attend have a fantastic time celebrating with our community.

Please continue to support your child's education by ensuring they complete their homework each evening, read for at least 30 minutes, and access our extra electronic support programs.

May each you have an enjoyable and restful Spring Vacation. Keep encouraging your children with positive affirmations. When we speak and believe in a positive manner, success will be ours. Together, working as a family, we can and will attain success.

Have a super month!

Thomas J. Schroeder
