Dear Lyons Creek Middle School Family,

As we embark on a new school year, I am honored and thrilled to introduce myself as the new principal of Lyons Creek Middle School. I look forward to collaborating with our dedicated staff, students, and families to build upon the solid foundation of academic excellence and community spirit that has been established here. The middle school years are a crucial time of growth and discovery. Together, we will guide our students through this transformative period, equipping them with the knowledge, skills, and confidence they need to succeed in high school and beyond.

I am excited to share some wonderful news: our school grade has increased to an "A"! This achievement is a testament to the hard work and dedication of our students, teachers, and staff. It also reflects the unwavering support of our parents and community members. Together, we have demonstrated what we can accomplish when we unite in pursuit of a common goal.

Our theme for this year is **"Together Everyone Achieves More" (TEAM)**. This powerful message encapsulates our approach to education and personal growth. By fostering collaboration, mutual respect, and a sense of shared purpose, we can create an environment where every student thrives and reaches their full potential.

As your new principal, I am deeply committed to maintaining and elevating the standard of excellence at Lyons Creek. We will continue to provide rigorous academic programs, nurture creativity and critical thinking, and support the social-emotional development of our students. Additionally, we will strive to create even more opportunities for parent involvement and community partnerships.

I want to emphasize the importance of our school website as a vital communication tool. This platform serves as a central hub for important announcements, event calendars, and resources. We encourage you to bookmark our website and check it regularly. Here, you will find up-to-date information on school activities and events; access to our online learning platforms; Important forms and documents; teacher contact information; and news about student achievements and school successes. By utilizing our website, we can ensure that every member of our school community stays informed and connected, further embodying our "Together Everyone Achieves More" philosophy.

I encourage you to reach out to me with your ideas, concerns, or simply to say hello. My door is always open, and I value your input as we work together to make our school the best it can be. Let us make this year our most inspiring and successful yet. Remember, when we work as a TEAM, there is no limit to what we can achieve! Looking forward to a fantastic year of learning, growth, and achievement!

Educationally Yours,

Mrs. Leena R. Itty, Proud Principal

Together Everyone Achieves More One TEAM, One Goal, No Limits!!!
