I have completed the application provided to be eligible to participate in the Leadership Skills Development & Techniques class for the 2018-2019 school year. I understand that submitting this application does not automatically qualify my admittance into the class and that there will be a selection process.

I understand that, if accepted, taking this class requires serious commitment and several requirements including, but not limited to: membership in SGA, travel to leadership trainings and conferences, participation in events on days off school and during school, and behaving with utmost integrity and ethics. My failure to actively participate in events and activities may result in a low grade and/or removal from the class. Additionally, failing to uphold a positive image for the school and being a positive role model for other students may result in removal from the class. I am agreeing to be a representative for Everglades High School and will attempt to do so at the best of my ability.
