

Silver Palms Elementary School
Before and After School Child Care Program
2018 – 2019

Silver Palms Elementary is proud to offer a high quality, fee-based before and after school child-care program for the students who attend our school. Our philosophy is to provide all students with an academic/fitness-based program, while in a safe and nurturing environment and to teach the students appropriate social skills, including conflict resolution and acceptable peer interaction.

We provide the students with snack time, a structured homework hour, indoor games, a technology and a S (science) T (technology) E (engineering) M (math) center, Cooking class, arts and crafts, and outdoor play.

Currently, all of our experienced counselors are attending college and have been trained in Anti-bullying, CPR/First Aid, behavior management and conflict resolution, assorted group activities and emergency situations. All staff has received a thorough FBI background clearance through Broward County Public Schools.

Registration Information:

Dates and Times are as follows:

- August 9 8:00 am – 4:00 pm (Returning Parents)
- August 10 8:00 am – 4:00 pm (Incoming Parents)

Returning aftercare parents will have priority during registration on the first day only (August 9th). On August 10th registration will be open to all returning and incoming parents. We will **NOT** be taking registrations on Tuesday, August 14th, which is Our “Meet and Greet” day for the students and parents. **There will be no exceptions.** If you cannot make the above registrations dates, you can have a relative or friend register for you, but they must be able to make the payment. Only students who have been registered by August 10th will be able to start the program on the first day of school.

You will need your child’s Broward County Public Schools student identification number in order to register. You will be required to provide us with a “password” that will be used only in the event of dismissal emergencies. We also ask that you make arrangements with a friend or relative who can pick up your child should you be later than 6:00 pm. The late pick-up fee will be strictly enforced next year. The registration and first payment must be paid in order to complete the registration process. We accept Visa, MasterCard and American

Express. Checks, Money Orders or cash are NOT accepted. After the first pay period, we encourage you to use our secure online payment website, www.estimate@browardschools.com.

Program Information

Our program abides by the Broward County Public Schools Code of Conduct. We follow the same rules pertaining to cell phones, medication dispensing, bullying and behavior conduct. Our students are expected to behave in the same manner as they would in the classroom and to treat their counselor and peers with kindness and respect.

If your child has Special Needs (an IEP, a 504 plan, or medical issues), please let us know before you register. We are required to have a meeting to make sure our program can meet their requirements.

Payment information:

The non-refundable registration fee (\$25.00 per family) will remain the same for the 2018-2019 school year. The activity fee will now be \$15.00, which pays for the student's snack and early release activities.

As of this school year, the District has made changes from nine payment periods to ten payment periods per school year. The childcare portion for this school year is \$183.00 per period. The Before-care fee will be \$45.00 each pay period.

Please call the school office at 754-323-7465 with any questions or concerns that you may have.

Ms. Julie Perez
