

Vision

Preparing for
tomorrow through our
excellence today.

Mission

Involve and inspire the school community to help provide a safe, secure environment and a quality educational experience through a variety of engaging, student-centered opportunities, challenge students to develop the competitive, collaborative, and communicative skills needed in the 21st century's world of work, and to develop world citizens able to be responsible, honest, respectful, tolerant, kind, self-controlled, cooperative who practice good citizenship in an ever-changing technological, demanding, diverse, and global society.
