

The Mighty Manatee Messenger

January 2019

Welcome to Miramar Elementary School. The Home of the Mighty Manatees!

We hope you and your family had a wonderful holiday and a restful Winter Break. As we begin the start of a brand new year, here is what you can do to make this year great! Plan on making goals for yourself and for your family. In school, we've learned to make SMART goals. Our goals should be **Specific, Measurable, Attainable, Realistic & Timely**. Let's focus on making this year's goals a reality! Make it a family project so everyone can encourage each other to realize their goals. The goals can be academic, behavioral, social/relationship, health related and/or financial just to name a few. The possibilities are endless!

Whatever your goals are, as an individual or as a family use the **SMART** formula to make it happen. Write it down and post it where the whole family will see it. Then when someone makes their goal celebrate their success together.

**One of the Most Important Questions to ask your child today is:
How did you make a difference in someone's life?
Tell your story...**
