(Computer Shows Moment of Silence Slide)

At this time, we will observe our One Minute Moment of Silence.

Our first guest for today is Ms. Metzner

Our second guest for today is Zoe W. (A Global Scholar sharing about the Ft. Lauderdale 4-H Club). "The 4-H Chapter that I belong to is a volunteer organization located in Fort. Lauderdale, Florida. The 4-H Club began over 100 years ago and is the largest youth development organization in America. The goal of 4-H is to help young people and families obtain skills needed to be proactive in the community and develop innovative solutions. In my 4-H Chapter (The Monarch 4-H Club) we build community gardens so that people can gain access to freshly grown fruits and vegetables. We learn about planting and plants in our area and how to take care of the garden. We also learn to make different products from the things we grow - natural products like soaps, mosquito sprays, hair products and more... It is very easy to join and it's free! If you are interested please contact Mrs. Smith in the Media Center who has the contact information.
