**From Ms. Fernandez**

Do you want your parents to see your texts or posted pictures? If not, delete them. Imagine the embarrassment when family and friends view a photo you thought was only going to be seen by your boyfriend or girlfriend. What seems safe and private, is anything but and can even result in you being arrested. Think before you post or text others. What you do is out there forever, for everyone to see. If you don't want everyone to see it, don't let anyone see it.

That's it for today. Have a Terrific Tuesday. Stay Safe Mustangs!
