From Mrs. Smith

STMS is participating in the county sneaker drive. Thanks to the 8 people who have donated so far, but we need several more students to donate new or gently used sneakers by tomorrow, April 29th. We have always done really well in helping others, these sneakers will be cleaned and used to donate to students in need next year.

From Mrs. Fernandez and the Peer Counselors : As you know, Youth violence is a significant public health problem that affects thousands of young people each day, and in turn, their families, schools, and communities. As a school community, we need to work together and understand the problem of violence experienced by youth and prevent it. Together we can make a difference!

During this week, we celebrate National Youth Violence Prevention Week. Please join us by watching the following video.
