From Coach Galvez, Last Tuesday your boy's basketball team lost to Glades Middle by a score of 40-41. The boys played hard, coming back from a 15-point deficit to tie, take the lead and battle to the end. Our record does not show how hard the 8th graders worked, or how good the 6th and 7th graders are. It was a rough season but one that Coach is proud of; and everyone else should be too. We came together as a team in the last five games, winning 2 out of 5 and losing by a combined score of 6 points. The team would like to thank all administration, staff, teachers, students, and parents who came out to support during our games. We also would like to thank PTSA for their tireless effort working the concession stand.
