

--Beginning--

Gooooood Morning SILVER TRAIL! This is Mathias coming to you from the WSTM Live studio! Today is Wednesday, February 5th, 2020.

Good Morning! This is Gideon with your announcements for today. The affirmation for today is: I will fill my day with hope and face it with joy.

Students, please make sure your ID's are on and visible at this time.

The science question for today is: The Earth's Water Cycle is powered by:

A. the wind

B. the Sun

C. radioactive decay

or D. the energy of the Earth's rotation

(Wait 5 seconds) Did you guess? The answer is B.

The Sun's energy powers the water cycle.

Water changes state -- its temperature increases and decreases as it moves through different stages of the water cycle.

From Mrs. McCoy, Come one, come all! There is still time to qualify for the National Science Bee. All are welcome to participate. Come test your knowledge of Basic Science Concepts. This twenty minute challenge will take place in Room 154 after school today.

For our Black History Month moment, Tyria Walker will focus on Maya Angelou.

From Mr. Bukstel, there will be no Chess Club today. The next meeting will be on February 19.

This week is National School Counseling week. Don't forget to thank your counselors for all they do for you!

Broward County Public Schools has designated Friday February 14th as a day of service and love in commemoration of the lives lost at Marjory Stoneman Douglas High School. In an effort to honor the memories of those tragically lost on Feb. 14, 2018. A list of activities and causes these individuals enjoyed is listed. Let's take a moment to focus on the love of our Earth in this video as so many on this list enjoyed.

The crew thanks Mrs Jenkins for organizing our Black History Month focus and Mrs. Rodriguez for the love videos.

That's it for today: Have a wonderful Wednesday Silver Trail!
