From Ms. Fernandez and her Peer Counselors! Good Morning Mustangs!
Today we all Welcome February, The month of LOVE!!!! What makes us so
special and unique is our ability to be selfless, compassionate and kind. Our
ability to be there for the people we care about and share with them even the
little you have, without expecting something in return. We are here to be
LOVED and spread love and kindness through even the smallest gestures we
make, because we know now that the more we share, the more love and
gratitude will be shown to us and that's all that matters at the end of the day!
Today during our Motivational Monday we are going to stick together!
Spread love! Because as you know Love is an OPEN DOOR!!!
