ARMING TEACHERS

The state of Florida passed a bill allowing teachers to carry guns in the classroom. Superintendent Runcie and the School Board of Broward County voted on a resolution AGAINST arming teachers March 2018. Broward County Public Schools DOES NOT believe arming teachers is the best way to keep our school safe. If your children ask questions, please discuss this with them and be sensitive to "why" they are asking. Currently, School Resource Office Bill is the only person armed on campus to help keep us all safe.

WE WANT YOUR FEEDBACK
