

SAFETY IS OUR #1 PRIORITY

PLANTATION PARK ELEMENTARY

AUGUST 22, 2018

Welcome SRO Stuart Annin

Safety continues to be a commitment from both Broward County Public Schools and the City of Plantation. Officer Stuart Annin will be our full-time SRO this year! Stop by and welcome him to PPE!

SINGLE POINT ENTRY

As a reminder, all visitors **MUST** have a valid photo ID and go through the STAR system in the front office to enter the school. Badges must be worn at all times during school hours.

JCC CAMPUS MONITOR

The JCC aftercare provider hired Yul Buzon as a Campus Monitor to help keep our students attending JCC safe. His main job is to provide an extra set of eyes and ears and to monitor the interior and perimeter of our building. Way to go JCC!

CODE RED Drills

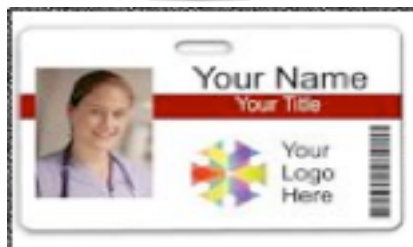

Monthly Code Red Drills have been mandated for all schools by the State of Florida to ensure the safety of our students and staff. The Code Red DRILL for August has now been completed. Please discuss the experience with your child and contact your child's teacher if your child needs additional support. Thank YOU!

WHAT PARENTS CAN DO TO HELP:

- In the event of an emergency, monitor Emergency Broadcast System or local media (TV, radio, etc.)
- Realize school sites have a priority in local Emergency Agency Plans and your child(ren) are likely to have better access to emergency services on school campus than in any other locations.
- Keep Emergency lines OPEN since they are used for emergency communication.
- Be sure emergency contact information is updated and current. A

As a reminder, there is no supervision before 7:25am. Students are allowed on school campus if they are eating breakfast in the cafeteria. All other students may arrive on campus at 7:40am and sit in the hallway outside of their classroom.

IDENTIFICATION BADGES

All students, staff, and visitors **MUST** wear identification badges. Students currently are using temporary badges. Please ensure your child is at school for Fall Picture Day on August 23, 2018 to take a photograph for his/her new id badge.

ONLINE FORMS

Make sure you complete all school forms, so that we have current emergency contact information through the following link: browardschools.com/bts.
