## "SUPERHERO" Reading at Tedder Elementary

Tedder Elementary's school-wide home reading motivation program is to recognize students that spend time outside of school reading independently or listening to a story. Tedder Superheroes are encouraged to use their reading skills daily and to read for enjoyment at least once a day based on their reading log minutes.

Use MyOn at home to help promote interest-driven, authentic reading experiences for the students in your classes. The platform is best used with attentive guidance, frequent interaction, and plenty of context from teachers and parents. Choice is key, so do your best to ensure that children have as much as possible. Myon features a wide range of subjects and interests from which students can select their book.
