AFTER-SCHOOL PROGRAM @ BOYD H. ANDERSON HIGH SCHOOL

OVERVIEW

The YMCA, in partnership with the Children’s Service Council, provides after-school services which complement school curricula, offering additional learning opportunities for personal growth and social enrichment of students. Students experience hands on learning, bringing the classroom to life with academic and cultural enrichment. The program **comes at no cost to you (including dinner) and provides transportation depending on address**, and is open to all students that are interested in taking advantage of this opportunity. Seats are limited, so please turn in your registration form and attend the first day.
