Thank you for choosing Northeast High School! While magnet students have already met county-mandated standards to attend the magnet programs, they must continue to adhere to specific guidelines in order to remain at Northeast High. All magnet students must:

- Maintain a minimum GPA 2.5
- Demonstrate satisfactory conduct in all classes
- Comply with the School Board Student Conduct & Discipline Code
- Enrollment in Magnet Theme Classes

The entire staff remains committed to helping students succeed. In the unlikely event that magnet students fail to meet the established criteria to remain in the magnet program, students may be assigned to their “home” schools.

Transportation is provided for all students who reside NORTH of Sunrise Blvd. All other students must provide their own transportation.
