Testing Schedule

- ✓ If a student has technical difficulties on the day of the exam, he/she will need to contact College Board directly. There should be a link in the student's exam of where to contact.
- ✓ We want to encourage students to take their exam on the normal scheduled test date. If for some reason, a student misses the window for general testing, the student will receive a notification from College Board to test in the make-up window. After the make-up window, there is no other test date.
