

## BROWARD ESE ADVISORY COUNCIL WELCOMES YOU!

We are a parent-led volunteer group formed under Broward County Public Schools policy to provide recommendations to the School Board and Superintendent on systemic issues relating to exceptional student education (ESE). We are a voice for students with disabilities, their families/caregivers and those who work with them. Advisory and its four subcommittees provide meetings throughout the year to inform our work and to support you and your child, offering a forum for advice and discussion, district news, legislative updates, guest speakers, presentations, and a chance for you to engage with Broward school district personnel. Our subcommittees are:
