Falcon Cove Middle School strives to encourage students to maintain and improve their academic abilities year-round. To achieve this goal, students are required to read a minimum of one novel over the summer, although it is highly suggested students read at least two novels. All students are encouraged to select high interest books which are both on grade level and age appropriate.

Upon returning to school in August, students will be required to complete an assignment based on the summer’s reading.

What better time than summer to kick back and relax with an amazing book!

Falcon Cove has included for you some of our personal favorites as well as other noteworthy suggestions from various literary sources.

*Parents and students are urged to review book titles together to determine if subject matter fits personal family values.

**FCMS Faculty Favorites**

*Felix Yz by Lisa Bunker*
