

# CYPRESS BAY INFORMATION SESSION FOR THE HIGHLY MATHEMATICALLY GIFTED

## FOR PARENTS AND STUDENTS WHO:

- Are in GEM 8 and are interested in competing in math in high school
- Are in EMF and not sure what comes next
- Wish to study math with more breadth and depth than is available in a typical Honors or Advanced Placement course

## COME TO:

- Familiarize yourself with the available math course progression paths
- Learn the benefits/responsibilities of taking a "competition math" class
- Consult with current students

**JANUARY 27TH 5:30 PM**  
**CYPRESS BAY - ROOM 363**

---

Can't make it? Come and talk with us at Cypress Bay's Academic Nights for Middle Schools:  
February 5th for Tequesta Trace students and  
February 12th for Falcon Cove students
