

Happy New Year Wildcats!

As we begin a new calendar year, I challenge all our Wildcats to reflect on your growth, plan for opportunities to continue this growth, and to check in with your progress along the way.

As we develop the whole child here at FGMS, our goal is to connect with our students. We have expanded these connections this 2023 school year with more offerings for help with homework, extended assistance within growing within content areas, and more opportunities to connect through social emotional learning. If your child is struggling, reach out to us and allow for us to talk to you about all the ways we can grow together.

This month, we will continue with our volleyball sports season and begin Flag Football! Watch for important dates which will be posted in your weekly calendar updates through Parentlink. Our Reading students will engage in their End of Workshop Assessment the second week of this month---this is a very important mile marker for our growing readers, please ensure your kiddies are in school each day so that we can measure and plan for success.

This month, we will also host our MTL Induction Ceremony. This will be a night that you don't want to miss! We have a great evening planned for our Wildcats.

Our next "Paws with Mrs. G" is scheduled for **January 27th** at 9:30 A.M. Our topic is set for- *How to effectively communicate with your child's teacher*. Come and join our VILS Coach, Ms. Barris as she shares strategies and perspectives from a parent, teacher, and school leader. You don't want to miss this!

I hope to see you at this month's PTO meeting on **January 26th** at 6 P.M. and our SAC/SAF Meeting on **January 24th** at 8:15 A.M. Let's discuss how we can continue to grow together this new year!

Your Refreshed and Motivated Principal,

Mrs. G
