

Happy November Wildcat Families!

November is filled with lots of possibilities to grow and learn here at The Glen! Tuesday, November 1st we begin our Wildcat Growth Academy. This Academy is open to all students on Tuesdays-Thursdays in our Media Center from 4-5 P.M. and offers them extra help in all subject areas. We also have Geometry and Algebra Tutoring which is held in room 612 on every Tuesday from 4-5 P.M.. Or if your Wildcat is like my Jaidyn & Aliyah then you may want extra help with studying and/or organizational skills for your child! No worries-we've got you covered! Our Guidance Team offers this support on every Tuesday from 4-5 P.M. The options for help are endless--- *is your child ready to take advantage of these resources?* All they have to do is show up-we will take care of the rest! 💙

This month we celebrate our Veterans. If you are a Veteran, please join us on November 9th at 9:30 for a breakfast and concert in your honor! Simply email Anthony.zoeller@browardschools.com a RSVP if you wish to attend.

This month report cards will be available virtually on November 10th. Please spend so time reviewing your child's Quarter 1 progress and planning for Quarter 2. We are almost halfway through our school year- don't let time get away from you.

Parents, have you completed all your VILS paperwork? iPads are being distributed to all Wildcats beginning on Monday, November 14th. Please check with your child and ensure that all items are squared away so that your child can get their tech access asap.

I hope you talked to your Wildcat about our Quarter 1 Positive Behavior Assembly. Our PTO booked an amazing motivational speaker and our kids really enjoyed themselves. If you have not already joined

our PTO, I encourage you to join- they spend so much time working and planning for our kiddies!
Membership is only \$10 and you can easily pay online.

Let's work together and ensure our entire team is continuing to grow and learn this month- we've got this Wildcats!

Your Winter Ready Principal,

Mrs. G
