Lauderdale Lakes Middle School Families,

As the Principal of Lauderdale Lakes Middle School, I am truly looking forward to working with you to provide our students with an amazing Middle School experience. Lauderdale Lakes Middle School will provide students with numerous new opportunities that will support academic achievement and success, as well as provide a safe and welcoming environment for all.

In order to provide students with opportunities to be successful, we provide a rigorous and relevant curriculum at all grade levels. Students are provided the opportunity to be engaged in challenging classes and to have access to a wide-variety of technology. Through our Innovative Programs which include Computer Science, Pre Med, Marine Biology, Speech and Debate, and Exercise Sports Science, we aim to prepare our students to be college and career ready. It is our vision to educate today's students to succeed in tomorrow's world. This can only be accomplished if we work as a team and partner together to ensure that students attend school every day, they arrive on time, and are prepared to learn. Please remember this is a direct connection between students attendance and students achievement.

I am proud to be the Principal of Lauderdale Lakes Middle School and I am always here if you need anything at all. Please visit our website and follow us on Facebook! I look forward to serving you and your students this year

Sincerely,

James F. Griffin II, Principal

New Security Measures

Due to the implementation of increased security measures to ensure the safety and security of our students, parents must adhere to the following:

- Students cannot be dropped off before 7:10 AM.
- The only gate that will be opened throughout the school day will be the East gate (bus loop). Please have your ID ready.
- All visitors who arrive early to the afternoon car line must remain in their vehicles.
- All students must be off campus by 3:00 PM. Students will not be permitted to remain on campus unless they are participating in an extracurricular activity or after school program and must be with a supervising adult at all times.
- All visitors must enter through the single point of entry at the front desk. You must check in and be provided a visitor pass. Please have your ID ready.
