

## PARTNERSHIPS

### Broward County Public School

The AIDD Law Clinic has partnered with the Broward County School Board to regularly visit schools in the area to educate parents and teachers on the legal options available for special needs children transitioning into adulthood.

### Florida Justice Technology Center

The Florida Justice Technology Center has created a platform called Turning18.com, which the AIDD Clinic uses to provide legal guidance to parents in the AIDD community.

### NSU LaunchPad Program

The LaunchPad attorneys play a part in the outreach with The Broward County Schoolboard by organizing presentations for families and educators, as well as providing legal services to the community that may be outside the scope of the AIDD Law Clinic. The Florida Justice Technology Center

## About the Adults with Intellectual & Developmental Disabilities (AIDD) Law Clinic

The Adults with Intellectual & Developmental Disabilities (AIDD) Law Clinic provides pro bono legal services to individuals with disabilities and works to ensure that his or her legal rights are protected. The clinic interns and attorneys are committed to harnessing the law and transforming lives. The AIDD Law Clinic was made possible by a generous grant from The Taft Foundation.

## Mission Statement

The mission of the AIDD Law Clinic is to provide quality legal representation and services to enhance, protect, and advance the rights of people with intellectual and developmental disabilities.
