

# Hawkes Bluff Elementary Smiley Math & Family Science 2023-2024

## SMILEY MATH

The **SMILEY MATH** program is a series of ten math worksheets that enables students to practice math application skills. Please see the schedule below for exact due dates. **Please be sure completed worksheets are sent to your child's teacher by the due date for grading.** Students who complete seven out of the ten activities will receive an award certificate at the end of the year.

Your role in Smiley Math is to **encourage and facilitate problem solving**. It is normal for a child NOT to be able to complete every problem on a worksheet independently. It is okay to guide them so that they understand what needs to be done, **but please DO NOT GIVE THE ANSWERS to your child!**

**The Smiley Math and Family Science Programs will run from September - April. Due dates are outlined under each program. In order to receive an award certificate as well as recognition on stage, ALL worksheets and activities MUST be turned in by Monday, April 29, 2024.** Awards dates will be announced closer to the completion of school.

Both the Smiley Math and Family Science programs are open to all students in grades Kindergarten through Fifth Grade and Special Programs. Although participation in these programs is *voluntary*, we encourage all students to participate.

We hope our families here at Hawkes Bluff will enjoy working on these activities together and, in the process, will learn some fun things about Math and Science!
