

Dear Parent/Guardian,

We are excited to announce that Broward County Public Schools adopted the CareDox Electronic Health Records system. CareDox which will serve as a tool for parents/guardians to interact online with healthcare personnel at their child's school in consultation with their health care needs.

CareDox Benefits:

The benefits of CareDox include:

- Provide medical information electronically between parents/guardians, healthcare personnel and school staff
- Provide timely notifications when your child visits the healthcare personnel's office
- Provide updated health information that is readily available to your child's school

For more information on how CareDox helps schools and for parent's frequently asked questions, you may visit: www.caredox.com/schools and www.caredox.com/category-faq/parents.

Broward Parent Enrollment Process:

Enrolling in the CareDox Parent Portal will be the fastest and most secure way for parents to provide annual up-to-date health information to your child's school. The parent enrollment process, which will happen through the CareDox Parent Portal, is outlined below.

- You will be receiving an email communication from CareDox for health enrollment
 - If you have not provided your student(s) school with an email address, please do so as soon as possible.
- The health enrollment email will contain a unique link to your child's health profile.
- When you open the link you will be prompted to create an account and complete annual health related questions that pertain to your child.
- Completion of the health form will take 5–30 minutes.
- If you have any questions during the enrollment process, please contact support@caredox.com.

Sincerely,

Principal
