

Whiddon-Rogers Education Center

September 5, 2018

Dear Parent(s) or Guardian(s):

The Office of Strategic Initiative Management (SIM) needs your input to help develop goals for our new **2019-2022 Strategic Plan**. This is your chance to help shape the future priorities for Broward County Public Schools. The voices of all students, parents, teachers, community members, staff, and administrators matter to us!

Please complete the below **three-question survey** by **Friday, September 14, 2018**, to provide your feedback on the top strengths and weaknesses of the District. You will also be able to indicate on the survey whether you would like to participate in a future **Focus Group** for more in-depth conversations on these topics.

Survey: Visit www.browardschools.com/sim and click on **Strategic Plan Survey**.

Thank you for your support of our continuous improvement efforts and your participation in planning our future!

If you have any questions, please contact Dr. Deborah Posner, Executive Director of Strategic Initiative Management at 754-321-2525.
