## SOCIAL-EMOTIONAL PARENT NIGHT

On **October 14, 2021**, LCMS hosted our Social-Emotional Learning Parent Night, which featured guest speakers and school staff sharing how LCMS supports students' emotional well-being during the school day and resources for how families can support mindfulness and mental health at home.

Special thanks to Ms. McGill-Franklin, Ms. Fredericks, Ms. Farrukh, Ms. Lehman, Mr. Singleton, Ms. Goggins, Ms. Aveni, and Mr. Laspina for making this invaluable experience available to support the mental wellness of our Lyons Family!

## RISING STARS ACADEMY KICKOFF

Our Rising Stars Academy, which provides academic pullouts in reading and math, are regularly rewarded with visits to the RSA Store! At the end of Quarter 1, we celebrated 100 students who met their attendance and grade goals at the end of Quarter 1! Kudos to Ms. Wright, Mr. Kozell, and Ms. Afsharpour for your continued efforts to provide this pullout support for our academically fragile students!

## COLLEGE WEEK

**October 11-15**, LCMS hosted College Week! Staff shared their college experiences and insights with students, as well as taught the background of historically black colleges and universities. Students were engaged in trivia questions about colleges and won prizes throughout the week!

## SCHOOL BOARD MEMBER VISIT

At-Large School Board Member, Debra Hixon, visited LCMS on **October 21**. We appreciated the opportunity to share information about the Lyons Creek experience and visit classrooms to share all of the magic happening here!

# Positivity Power

Padlet entries  
from LCMS  
family

"My friends and teachers treat me with respect and kindness. if i'm feeling down my teachers and friends try and cheer me up."

"I love this school and I love that I'm me regardless of color!"

"I love the school, I love the fact we have police officers to keep us safe and how we have to be escorted to the bathroom it makes me feel like a prince. It's like I have my personal bodyguards, I love the fact we have delicious lunches to eat at school and how we have a vending machine. The principal is also really cool because she's a girl and she is black. ♥ I also love the literature because I am super good at wiring and I think it's super helpful. I love PE because we get to run and play! "

"This is my first time being in an LEEO class. It was very welcoming and so are my classmates and my teacher. I am finding a liking to this class and I can't wait to see where this school year takes me! ♥"

"Let your unique awesomeness and positive energy inspire confidence in others."

"I love my teachers!!!😊"

"Love the positivity this school does for all the students, it is amazing and gives the students such great motivation. Thank you!"
