TESTING REMINDERS

Electronic Devices – Students are not permitted to have any electronic devices, including, but not limited to, cell phones, smartphones, and smartwatches, at any time during testing or during breaks (e.g., restroom), even if the devices are turned off or students do not use them. If your student is found with an electronic device or is found using Bluetooth/wireless headphones/earbuds during testing, his or her test will be invalidated.

Attendance – Please remember not to schedule appointments on testing days that would require a student to arrive late or leave early.

Illness – If your child is not feeling well on a testing day, please do not send him/her to school. We will be conducting make-up testing for any students who missed a testing session throughout the month of May.
