Canvas provides a means for teachers to continue to communicate with students by providing written, recorded, and even live instruction. The best way to continue the learning process for your child is to ensure each child can login to their Single Sign On <a href="SSO LaunchPad">SSO LaunchPad</a> to gain access to core instructional materials, supplemental educational programs, and their teacher's Canvas courses. For additional learning opportunities in the core classes, review the list of resources below.

General Parent Resources (All Grade Levels)	
Learning Never Closes	http://browardschools.com/learningnevercloses Broward County Public Schools (BCPS) is committed to supporting students and families in making sure that learning never closes. When the school buildings are closed for any reason (vacation, weekends, or even unexpected closures), BCPS encourages families and caregivers to have students engage in academic activities. Resources for students with disabilities are embedded within the Learning Never Closes link.
Canvas Parent Course	http://browardschools.instructure.com/courses/411 This online Parent Information Hub is designed to provide parents with information about BCPS's digital initiatives, specifically the Newsela, Discovery Education, and Microsoft products. Parents can access information about both the student and parent Canvas apps.
Accessing your Child's Documents (IEP, EP, PSSP)	Parent(s) or Guardian(s) who have given your school(s) the necessary email and or cell phone will receive an email from EDPlan Connect with a link to access these documents. Should you not receive the email, please contact us via <a href="mailto:edplanconnect@browardschools.com">edplanconnect@browardschools.com</a> and provide your child's name, student number, your email and a cell phone number. We will then send you the link.
