Resources to Support Home Learning

- ## MyON:
  - https://www.myon.com/school/readonbroward
  - *Our students will have free access to the myON digital library and daily news articles they can access from home during the current COVID-19 school closure period. This will help them continue reading and learning—and provide additional opportunities for them to explore topics they are interested in*
  - *What's Available!* The myON digital library includes thousands of digital books with optional reading supports for students from pre-K through grade 12. Five daily myON News articles, which are written by journalists and reviewed by a child psychologist, are available along with an archive of previous issues. These resources can be accessed on any digital device that is connected to the Internet and are available 24/7. Books from the myON digital library can also be downloaded onto mobile devices for offline reading.
  - **How to log into myON:** Log in with the following credentials
    Student username: myON   Student password: read

- ## EPIC:
